Introduction

This book aims to help the reader develop their spiritual discernment in understanding God's truth as revealed in the Holy Bible while distancing themselves from the misleading beliefs of wokeism. Wokeism is an ideology that Satan has spread to create confusion, chaos, and a mindset that opposes Christ. It is spreading rapidly and influencing many people. Satan's ultimate goal is to lead humanity away from God's wisdom and toward eternal damnation.

The remedy for wokeism is to establish a personal relationship with God, our loving Heavenly Father, through His Son Yeshua (Jesus in Hebrew). This begins with repentance. Allow me to explain further:

We have all sinned by breaking one or all of God's Ten Commandments. God's Word informs us that the consequence of our sins is death (Romans 6:23), which implies eternal damnation in the lake of fire. God regards sin as a grave matter and should not be taken lightly.

The wonderful news of the Gospel is that God loved us so deeply that He sent His only Son

to fully pay the price for all our past, present, and future sins (John 3:16).

If you have not yet received this incredible gift of Salvation from our Heavenly Father through His Son Yeshua, I strongly urge you to do so before proceeding.

I express this not only out of genuine love and concern for the reader's eternal soul but also because in order to grasp God's revelation of His wisdom and knowledge, you must have His Spirit dwelling within you. This can only happen when you are "Born Again" through repenting of your sins and wholeheartedly trusting in Yeshua as your Lord and Savior.

**There is a Salvation Prayer on page 76.*

Chapter 1-What is Woke?

ou may ask, what is the "woke movement"?

Wikipedia's definition of *woke* is the following:

Woke (/ˈwoʊk/ WOHK) is an adjective derived from African-American Vernacular English, meaning "alert to racial prejudice and discrimination".

Beginning in the 2010s, it came to encompass a broader awareness of social inequalities such as sexism, and has also been used as shorthand for American Left ideas involving identity politics and social justice, such as the notion of white privilege and slavery reparations for African Americans.
Wikipedia

Those who adopt the "woke" mindset often perceive themselves as enlightened and empowered, having gained a fresh and divine understanding of knowledge and perspective. Many also view it as their noble obligation or duty to spread the woke ideology to others through evangelization.

According to God's Word the Holy Bible, "wokeism" fits the classification of what

scripture calls "doctrine of devils," a doctrine empowered by seducing spirits or demons, influencing many to leave or contaminate Christianity.

"Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils;"

1 Timothy 4:1

In Galatians, we see Apostle Paul confronting and admonishing the Galatians for embracing a "woke" doctrine, which had turned and hardened their hearts away from God.

O foolish Galatians, who hath bewitched you, that ye should not obey the truth, before whose eyes Jesus Christ hath been evidently set forth, crucified among you?

Galatians 3:1

**The Woke's Goal is to Renew the Mind
for the New World Order**

Wokeism has the ability to spiritually blind humanity from God's truth.

*whose minds the god of this age has **blinded**, who do not believe, lest the light of the gospel of the glory of Christ, who is the image of God, should shine on them.*

2 Corinthians 4:4

Wokeism generates spells that empower foolish ideologies to undermine and supersede actual facts and statistics, creating counterfeit truths.

Liberal politics have transformed these misguided ideologies into policies and laws, compelling society to unquestioningly embrace and respect woke ideologies as truth, under the threat of punishment.

Those who stand against the foolish logic of wokeism, which we will discuss in more detail shortly, will be slandered and labeled as one or all of the following by the woke mob:

- Racist
- White supremacists (even if they are black)
- Bully
- Homophobic
- Extremist, and so on.

The diabolical and twisted concept of the woke culture is another modernized branch of the "Law of Reversal," another "doctrine of devils" made infamous by Aleister Crowley.

Crowley, a Satanist and 33rd-degree Freemason, dedicated his entire adulthood to indulging in practices that he believed would go against God's principles: engaging in sex magic, consuming substances like heroin, opium, hashish, peyote, and cocaine, invoking spirits, partaking in unusual activities such as eating his own feces, and even offering his assistance to the Russian authorities in their efforts to eradicate Christianity. The law of reversal is a clear-cut doctrine that deliberately opposes the laws of God and disrupts the natural order.

Crowley, the renowned guru of modern Satanism, imparted his teachings in his magick handbook, "Magick in Theory and Practice," introducing a concept referred to as "the law of reversal." An instance of this practice can be observed in various Satanic churches where they recite the Lord's Prayer but commence with "Amen" and utter "Nema," proceeding to recite the entire prayer in reverse.

Crowley taught and quoted saying:

- Let him learn to write backward.
- Let him learn to walk backward.
- Let him listen to phonograph records reversed.
- Let him practice speaking backward.
- Let him learn to read backward.

(Crowley, Aleister. *Magick: Liber ABA*, book four, 1994 Ordo Templi Orientis edition, p. 639)

The Word of God warned us about this brand of “reverse ideology” back in the Old Testament:

20 Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!

21 Woe unto them that are wise in their own eyes, and prudent in their own sight!

Isaiah 5:20,21

He authored numerous books which he claimed were dictated to him by a spirit named Aiwass, believed to be from ancient Egypt. According to his testimony, this spirit instructed him to "Worship me, indulge in wine and strange drugs, embrace lust, and

find pleasure in all sensory experiences." Crowley's famous motto, "Do what thou wilt," is often credited for laying the groundwork that later inspired various clichés such as "Do your own thing" and "I'm gonna do me."

This ideology further influenced the "free love" movement or sexual revolution, celebrating sexual promiscuity and hedonism as societal norms. The law of reversal movement has since evolved into its own culture, commonly called Wokeism.

Wokeism thrives on the embrace and glorification of behaviors and lifestyles that defy God's divine order. It reveals shock value and controversy, disregarding the logical significance of cultural trends, fashion, or activities. If something challenges Biblical norms and evokes positive emotions, it will be affirmed and celebrated within this belief system.

Gender cross-dressing is not only encouraged in wokeism but celebrated. Again, this is against Biblical norms and is blatantly admonished by God in scripture:

5 The woman shall not wear that which pertaineth unto a man, neither shall a man put on a woman's garment: for all that do so are abomination unto the Lord thy God.

Deuteronomy 22:5

Wokeism Celebrates Sexual Promiscuity

In today's society, mainstream entertainment is actively promoting and normalizing sexual promiscuity, leading to the breakdown and destruction of the traditional nuclear family structure. This dangerous concoction, often called sex magic in certain cult circles, is infiltrating our culture through various means, such as adultery, divorce, broken homes, sexually transmitted diseases, sexual exploitation, pornography, abortions, and gender confusion. It serves as a blindfold, shielding humanity from the truth of God's impending wrath towards such sinful behaviors.

In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them.

2 Corinthians 4:4

3 But fornication, and all uncleanness, or covetousness, let it not be once named among you, as becometh saints;

4 Neither filthiness, nor foolish talking, nor jesting, which are not convenient: but rather giving of thanks.

5 For this ye know, that no whoremonger, nor unclean person, nor covetous man, who is an idolater, hath any inheritance in the kingdom of Christ and of God.

6 Let no man deceive you with vain words: for because of these things cometh the wrath of God upon the children of disobedience.

7 Be not ye therefore partakers with them.

Ephesians 5: 3-7

Truth is the Enemy in Wokeism

George Orwell, the author of the book 1984, which provided the world with a fictional glimpse into the New World Order, expressed:

"The further a society drifts from the Truth, the more it will hate those who proclaim it."

In the realm of wokeism, truth is not a prerequisite. Those who identify as "woke" disregard the need for factual evidence or statistical validation when defining truth. Instead, truth is viewed as a subjective and philosophical concept that holds validity as long as it aligns with an individual's beliefs and corresponds to their lived reality. Within the doctrine of wokeism, this idea is unquestionably accepted as truth, but at its essence, it can be perceived as complete foolishness.

Mark Spence with Living Waters Ministry eloquently stated, "Truth is considered "hate speech" for those who hate the truth." he added, "We are willing to destroy common sense, all in the name of not wanting to offend someone."

It's a scientific truth, that a human with xy chromosomes is a male, even if this male

identifies as a woman, he is still, truthfully, and biologically a male with XY chromosomes; an ideology or opposed opinion will never change that.

A female is a human with xx chromosomes, yet in wokeism, a man that feels and expresses that he is a woman, his feelings are allowed to override science to be affirmed as a woman, though he is still biologically male with XY chromosomes.

Spence points out the contradiction in the transgender movement, stating, "Trans people want us to accept them the way they are, but they don't want to accept themselves the way they are."

He asks the question, "If I'm in prison for robbing a bank, yet I identify as someone who didn't, should I be released right away.?"

*Jesus saith unto him, I am the way, **the truth**, and the life: no man cometh unto the Father, but by me.*

John 14:6

Satan is the father of "Wokism" because wokeism is built on the foundation of lies, and the Bible tells us that satan is the father of lies.

*“Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: **for he is a liar, and the father of it.**” John 8:44*

It's wokism's mission to deceptively justify lies into counterfeit truths, solely based on the selfish, sinful preferences and fetishes of humanity. The political strategy is just to pander to the emotions of the sinful and mentally ill.

Let's do a simple truth test: If a biological woman, identifies as a male. Based on factual science data, does her just identifying as a male, recreate her biologically into a male? The simple answer is "no!", to say "yes" would be a bold face scientific lie. Simply put, this satanic movement wants humanity to convert God's truth and factual scientific data, into a lie.

This movement truly has nothing to do about "Human Rights", it's goal is to remove "truth."

Why? Because Jesus is "Truth". Satan is anit-truth; remember, Jesus says satan is the "father of lies."

Wokeism is the doctrine of the fool. God's Word defines the characteristics of wokeism accurately in the following passages:

A fool takes no pleasure in understanding, but only in expressing his opinion. Proverb 18:2
ESV

Chapter 2- Woke Ideologies

The woke's demonic power lies in deceptively blinding humanity from the truth by manipulating humanity's emotions through deploying shock value rooted in untruth. Let's take a look at the woke's stances on the following social issues.

- **Transgenderism:** The Holy Bible tells us that God just made two genders, male and female (Genesis 1:27). Wokeism preaches that there are 81 genders and growing; I'm not going even start to go down that rabbit hole.
- Wokeism teaches that our gender is determined by our preferences and emotions rather than our inherent biology. This means that a biological man can identify as a woman solely based on their personal preference.
- Wokeism advocates that individuals, regardless of their biological sex, have the choice and right to transition into any of the 81 different genders that the LGBTQ community has established. They can transition as often as they wish and even

identify with three or more genders simultaneously.

In scientific terms, it is a well-established fact that males possess XY chromosomes while females possess XX chromosomes. Strong feelings and personal preferences cannot alter this fact within the confines of a scientific laboratory.

Within the field of psychiatry and psychology, this behavior is classified as a mental condition known as "Gender Dysphoria."

Gender dysphoria

Gender dysphoria is a condition where a person experiences discomfort or distress because there's a mismatch between their biological sex and gender identity. It's sometimes known as gender identity disorder (GID), gender incongruence, or transgenderism.
[nhs.uk](https://www.nhs.uk)

Gender dysphoria even qualifies as an ADA-protected disability by a federal court.

<https://www.mylegalneeds.com/faqs/collecting-disability-for-the-effects-of-gender-dysphoria.cfm>

God's Word addresses Gender Dysphoria in the book of Isaiah:

“Woe to him who strives with him who formed him, a pot among earthen pots! Does the clay say to him who forms it, ‘What are you making?’ or ‘Your work has no handles’? Isaiah 49:5

In other words, It's the Holy and perfect God who is our personal creator of our anatomy; who are we, as the creation, to question the All Mighty Creator? God is not double-minded, He makes no mistakes.

I heard Pastor Tony Evans preach recently at church, “God believes in conversion therapy.” Then he pointed us to 1 Corinthians 6: 9-11

9 Do you not know that the unrighteous will not inherit the kingdom of God? Do not be deceived. Neither fornicators, nor idolaters, nor adulterers, nor [a]homosexuals, nor [b]sodomites, 10 nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners will inherit the kingdom of

*God. 11 And such were some of you. **But you were washed, but you were [c]sanctified, but you were justified in the name of the Lord Jesus and by the Spirit of our God.***

The Gender Bending Agenda

At present, Anheuser-Busch's Bud Light brand has encountered significant financial losses following the release of an ineffective marketing campaign targeting the LGBTQ community. The campaign quickly sparked controversy, with customers expressing strong aversion towards including a rainbow and a transgender individual on the Bud Light beer can. In response, customers initiated a boycott of the Bud Light campaign.

With its vast experience, numerous expert marketing advisors, and sophisticated focus groups, Anheuser-Busch is unlikely to make such a foolish marketing move.

However, in terms of long-term strategy, this approach, historically, has been proven to be

successful for this anti-christ agenda. Let me explain:

When the same-sex marriage bill was introduced in 1971, it faced significant opposition. Nevertheless, proponents persisted in their campaign and efforts, and over time, unfortunately for some, they achieved victory on April 28, 2015. The New World Order has always been known to play the long game, keeping its sinister plans in motion.

See, Wokeism's goal is the same as Freemasons, who lead architects of the New World Order, which is "Order out of Chaos."

Why chaos? The reason is that the greater the chaos you instigate, the more fear and confusion it creates. Consequently, society yearns and pleads for law and order, which presents the ideal opportunity to introduce a "New World Order." Anheuser-Busch's campaign to diversify Bud Light can be seen as a classic example of this New World Order agenda. It serves as a form of social engineering aimed at enticing humanity to embrace a sinful mindset and lifestyle, ultimately preparing them to accept the Mark of the Beast and leading more souls into the depths of the lake of fire.

Wokeism has Redefined the Definition of a Woman.

- The woke agenda has bewitched the Oxford Dictionary in redefining the definition of a woman:

*The Oxford English Dictionary (OED) has added a new, more inclusive definition that recognizes that a woman can be "**a person's wife, girlfriend, or female lover**" of any gender, not just a "man's"**13**. The Bill of Rights has defined "woman" and "girl" as "human females" based on their biological reproductive system**4**. Merriam-Webster has added a secondary definition of female that says it can mean "having a gender identity that is opposite of male"**25**.*

**It should also be noted that the Oxford Dictionary also recently took the word "sin" out the dictionary.*

The average woman has periods and goes through menopause, a person born

biologically male does not, and a wig, lipstick and putting on a dress will never change that.

These are facts which the Woke deems as offensive. Why? because facts are synonymous with truth. Truth is the woke's enemy, because Jesus is the Truth (John 14:6).

Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.

John 14:6

God's truth is, God made only two genders, not 81. He made male and female and that's it,

“Male and female created he them; and blessed them, and called their name Adam, in the day when they were created.”

Genesis 5:2

3. Social Justice: Wokeism asserts that minorities, particularly black males, face systematic oppression in America. An

example of this ideology is the narrative it promotes, stating that black males not only experience systemic oppression but also become targets, hunted down, and killed at an alarming rate by police whom white supremacist ideologies have influenced. However, this narrative does not hold true when examining statistics and facts.

This distorted narrative creates a perception of Jim Crow-era oppression for black males, making them feel inferior and like helpless victims intentionally targeted for eradication in our society. It is essentially a reverse psychology tactic employed by the NWO (New World Order), as convincing individuals that they are oppressed and powerless victims makes them more susceptible to control.

This manipulation is achieved by introducing a counterfeit savior figure who presents themselves as a noble and compassionate philanthropist. They promise to save these individuals with their support, cooperation, and loyalty.

This technique bears a resemblance to the strategies employed by pimps over thousands of years when recruiting prostitutes.

While media coverage often portrays this narrative as reality, it is far from the truth.

Having been in the media industry for over 30 years as a photojournalist, I have gained a solid understanding of how the media system operates. Unfortunately, stories about black-on-black violence do not generate as much attention and advertisement revenue as sensationalized headlines about "racist cops killing blacks."

According to FBI statistics, around 90% of black homicides were committed by individuals within the black community. To put this into perspective, in 2022 alone, 5,083 black individuals lost their lives to homicide in the United States, with approximately 90% of those tragic incidents involving other black individuals. Additionally, during the same year, 258 black individuals lost their lives at the hands of the police in the United States.

It is important to delve beyond the surface-level narratives and consider these statistics to understand the situation comprehensively.

In crisis situations, applying common sense logic by prioritizing the assessment and addressing the most severe issue first, followed by the lesser serious situations, is crucial.

Let me provide an example to illustrate this point: Imagine an exterminator company has been called to a house infested with rats. Their initial step would be to evaluate the situation and gather essential information, such as:

- Where are the rats entering from?
- How are they gaining access?
- What is attracting them?
- Which area of the house has the highest rat population?

Upon completing the assessment, if it is discovered that most of the rats are entering through the garage and primarily residing there, it would be logical to allocate the majority of resources to tackle the garage region initially rather than focusing on the upstairs office where only a few rat droppings were found. This does not imply that the upstairs office should be neglected; it should certainly be addressed. However, the primary attention should be directed toward the main entry point, which happens to be the garage.

In Wokeism, the emphasis is on disregarding common sense logic and prioritizing theatrics, feelings, and woke political agendas. Take, for instance, one of the prominent advocates of wokeism, BLM (Black Lives Matter). This woke organization chooses to overlook the issue of intra-community violence among black individuals, which constitutes over 90% of black homicides. Instead, they allocate all their resources and attention towards addressing cases where black individuals are killed by the police, which statistically accounts for only 5.07% of black homicides. Additionally, the majority of these incidents involving the police were deemed justified. Why? Because attention-grabbing headlines such as "racist police killing blacks" receive far more attention than the less prominent coverage of inner-city black-on-black violence.

Once again, let me present you with the facts: In 2022, there were 5,083 instances where black individuals were killed by other black individuals, compared to 258 cases where the police killed black individuals. It is worth mentioning that the majority of these incidents involving the police were considered justified, as either the individual posed a

threat to someone's life, was engaged in criminal activity, or was fleeing from a violent crime scene.

Certain politicians considered "woke" often assert that white supremacy poses the greatest threat to black individuals in America. To examine this claim, let's focus on the infamous racist hate group, the Ku Klux Klan. Throughout their existence since 1865, it is documented that they have been responsible for the deaths of approximately 4,300 black individuals here in America.

Considering these figures, it becomes evident that in just one year, specifically 2022, black-on-black violence resulted in 5,083 homicides, more deaths than the Ku Klux Klan caused in 150 years.

Even more troubling is the harrowing truth that approximately 1,700 black children daily lose their lives in abortion clinics across America at the hands of their own black parents. It is truly disheartening to realize that in just three days, organizations like Planned Parenthood, in collaboration with black parents, terminated more black lives than the Ku Klux Klan did in a span of 150 years. This stark reality highlights the magnitude of the ongoing tragedy within our society.

Feminism

Feminism has been compared to the slow boiling frog technique, which suggests that if a frog is placed in boiling water, it will immediately jump out to save itself. However, if the frog is placed in room temperature water and the temperature gradually increases, it will remain comfortable until it is eventually boiled to death.

Similarly, some argue that "wokeism" follows a diabolical playbook by luring humanity into comfort and complacency. Once people are immersed in this environment, their beliefs and values gradually erode until they become reprobate.

For instance, the LGBTQ rights movement initially focused on the right to marriage. However, as time passed, they continued to push for further acceptance and inclusion, targeting children as well. Like the frogs in the analogy, those who initially supported the cause stayed in the metaphorical pot until their traditional values were purged from them, ultimately leading to a reprobate state.

Abortion: The Holy Bible tells us that God hates "hands that shed innocent blood."(Proverbs 6:16-17)

Wokeism advocates for a woman's right to decide whether or not to terminate a pregnancy. They argue that it should ultimately be her choice since it's a woman's body. However, it is essential to acknowledge that the baby in the womb is not part of the woman's body but a separate biological entity with its own DNA, genotype, body, and soul.

The woke movement further argues that life in the womb is merely a clump of cells, dismissing its status as a baby or a life. In reality, all living beings are fundamentally made up of cells.

It is intriguing to witness the reasoning of pro-choice individuals when they decide to terminate their pregnancy. They claim it's not a baby but just a clump of cells. However, when the same person desires a baby, they proudly proclaim, "I'm having a baby!" instead of saying, "I'm growing a clump of cells."

These Diabolical Agendas are all designed to Implement the New World Order's goals which are:

- Depopulate Humanity
- Break up the Nuclear Family
- Undermine & Destroy Biblical Values
- Implement satanic blood sacrifices of the innocent (Moloch Worship) to empower the demonic spirit realm to usher in the infrastructure of the Antichrist.
- Have Humanity Pay Homage to satan and be willing participants of the "Mark of the Beast."

The New World Order is investing in “woke culture,” which statistically overall is a bad investment. The cliché is “Go woke, go broke.” However, many don't know that George Soros created a company credit score, which demands American companies present the woke agenda or be cut off financially from advertisers.

So why are big companies like Anheuser-Busch willing to lose billions promoting the LGBTQ within their brand? The so-called experts say they made a huge mistake having

a transgender woman promoting their beer and even putting a rainbow on the can. This product, for years, has been traditionally marketed to hard-working blue-collar men and sports fans. The backlash was immediate nationwide, from rock star Kid Rock shooting up Bud Light beer cans with his assault rifle to conservative social media content makers calling for a nationwide ban.

Was this intentional by Anheuser-Busch?
“Yes! Anheuser-Busch is just one of many masonic New World Order companies under the major stock funder Blackrock, whose public mission is to influence and implement woke/antichrist values in humanity. Implement, regulate, and blackmail other companies under their umbrella to do the same.

They are regulated. It oversees. It's my belief, and it makes perfect sense, that this was a demonic sacrifice to move forward their agenda of chaos, sexual perversion, and depopulation. They have been able to accomplish this by birthing a non-profit organization titled Human Rights Campaign,

the largest watchdog, LGBTQ+ advocacy, and lobbying group in the world.

They rate companies under a 100-point social credit score, called a CEI score (Corporate Environmental Impact). Every major company on wall street has been given a score. The score pertains to a company's efforts to advocate and enforce 'woke' values framed within a theme of the LGBTQ+ and Black Lives Matter agenda.

The HRC donates to political candidates and policies which support wokeism. BlackRock, one of the biggest funds, which owns numerous major 500 companies, is very influential in the HRC; they and their coalition will hold back investment funds and other privileges from any company which has earned a sub-par CEI score. These are report cards for how well companies adhere to the guidelines set forth by the Corporate Equity Index. Blackrock sends out ambassadors every year to companies to advise them on maintaining or earning a higher CEI score.

Here are some excerpts from a warning letter in 2018 that Larry Finn, CEO of BlackRock, sent to companies warning them of the consequences of obtaining a low CEI score:

"We also will continue to emphasize the importance of a diverse board. Boards with a diverse mix of genders, ethnicities, career experiences, and ways of thinking have, as a result, a more diverse and aware mindset. They are less likely to succumb to groupthink or miss new threats to a company's business model. And they are better able to identify opportunities that promote long-term growth."

"Furthermore, the board is essential to helping a company articulate and pursue its purpose, as well as respond to the questions that are increasingly important to its investors, its consumers, and the communities in which it operates. In the current environment, these stakeholders are demanding that companies exercise leadership on a broader range of issues. And they are right to: a company's ability to manage environmental, social, and governance matters demonstrates the leadership and good governance that is so essential to sustainable growth, which is why we are increasingly integrating these issues into our investment process."

Larry Finn, BlackRock/CEO

**More than 840 companies in America have what is considered a good CEI score.*

There are five different criteria that make up the 100-point score:

1. Workforce protections with a possible five points. No discrimination for employment or sexual orientation, or gender identity.
2. Inclusive benefits with 50 points at stake. The criteria here is providing health care for same-sex couples.
3. Supporting an inclusive culture for a top score of 25 points, including gender-neutral dress codes and trans-inclusive restrooms or facilities.
4. Corporate social responsibility 20 possible points, marketing or advertising to LGBTQ consumers, including Nike and Budweiser's use of a transgender spokesperson.
5. Responsible citizenship you can only lose in this category, minus 25 points, if your company gives money to an organization whose primary mission includes advocacy against LGBTQ equality, which is not defined but could include Christian groups.

The HRC is not just regulating within the circle of Fortune 500 companies but has

stretched its powerful reach into politics, media, religious institutions, Hollywood, etc....

For example:

The end game for this NWO coalition is not wealth but to usher in the antichrist, which they will decree as their savior and god, aka The "Beast," '666'.

Their objective is to corrupt the minds and souls of humanity by programming them to love sin and hate righteousness. To reverse God's natural order will deceptively lead the masses to embrace the 'Mark of the Beast.'

These organizations understand their ability to create compelling and influential scripts promoting anti-God lifestyles for humanity. They utilize various mediums like fashion, books, movies, television, media, and music, leveraging the power of Hollywood to influence and implement such ideas. They aim to profit from individuals purchasing their products or programs, ultimately instilling immoral values within their souls. They are dedicated to utilizing all available resources to program humanity into a reprobate mind.

Wokeism Believes in Fighting Racism with Racism

Recently a new brand of racism has rushed into society like a trojan horse, sponsored and fueled by significant woke corporations, non-profits, and of course, the mainstream left media. What is this brand of racism? It's called anit-whiteism. And yes, it falls under Crowley's "law of reversal." The NWO leaders long ago planned in the last days to have race wars. To add to the confusion and chaos. In anti-whiteism, the main target is the white, heterosexual male. To the woke, that is the enemy, to them, it represents:

- The Nuclear Family
- Biblical Values
- Population increase
- Masculinity

These same traits can be identified in all ethnicities; however, woke has made "white America" a symbol of American Christian values with a racist agenda. The woke hates American values; therefore, the white male was chosen as the best representation or target for this symbol.

They have weaponized this agenda with books like *White Fragility* by Robin DiAngelo and mandatory *Critical Race Theory-CRT* training that force the narrative that all white people are racist, whether they deny it or not, and all American systems are racist; therefore, they must be dismantled and rebuilt.

This racist narrative being gas-lighted by major corporations and the government breeds more division among races, by cultivating racism, by weaponizing the ideology of fighting racism with racism, which is illogical and foolish at the core.

Many Americans, both black and white, fought and were even killed by taking a civil rights stance in believing in MLK's epic words:

"I have a dream that my four little children will one day live in a nation where they will not be judged by the color of their skin, but by the content of their character."

Tragically woke activists undermine MLK's words by their teachings and actions as meaningless and irrelevant.

Chapter 3- Woke's Foolish Logic

In wokeism, opposing facts and statistics are immediately dismissed as hostile, offensive, racial, or even hate speech. When confronted with the flaws in their logic, which are easily debunked, the woke often resort to avoidance, emotional outbursts, and loud arguments. This frequently leads to frustration and anger, resulting in name-calling and retreating to their "safe space."

The strategy of wokeism is to avoid engaging in civilized and honest dialogue at all costs. Why? Because their logic, rooted in justifying and advocating for sinful and foolish desires based on personal feelings, lacks a logical response to simple truths. Many have acknowledged this, but due to their unyielding pride, they refuse to admit the fallacy of their arguments. Instead, they respond with hostility and immature behavior, such as shouting, violence, name-calling, and cancel culture.

Instead of engaging in a discussion centered around truth, wokeism opts to evade it completely, fearing conviction and appearing

foolish. They believe people's feelings regarding their inner desires should be justified solely based on personal preferences and emotions, disregarding morality, logic, and truth. This mindset is not only foolish, ridiculous, selfish but also immature and sinful.

How did all of this come about? When sin infiltrates society, it begins to cause distortion. Over time, people become accustomed to the sin, then some begin to embrace it, then start legalizing it.

For wokeism to perpetuate its influence on humanity and shut down its opposition, it has resorted to creating and weaponizing another movement known as "Cancel Culture." This movement unjustly eliminates any opposition that goes against their beliefs. They label anything offensive to them as abusive and hateful, thus deceptively silencing opposing truths.

Cancel culture

noun

: the practice or tendency of engaging in mass canceling (see CANCEL entry 1 sense 1e) as a way of expressing disapproval and exerting social pressure

For those of you who aren't aware, cancel culture refers to the mass withdrawal of support from public figures or celebrities who have done things that aren't socially accepted today. This practice of "canceling" or mass shaming often occurs on social media platforms such as Twitter, Instagram, or Facebook.

Merriam-Webster

<https://www.merriam-webster.com>

"Cancel Culture" is about canceling and censoring the opposition without a debate or civil discussion. Their method is unconstitutional and communistic to its core, in that they want to cancel the American citizen's first amendment right of "free speech" if it doesn't align or fit safely within their ideologies or if it just merely hurts their feelings.

Years ago, in our country, social justice, equity, and even liberalism used to be defined as the willingness of both sides to come

together for a civilized and intellectual debate. The latter are the adjectives by which the "woke" describe themselves as.

Wokeism is the polar opposite of true social justice and equity, and its ideologies are blatantly racist, sexist, hypocritical, and oppressive at their core. Wokeism has deemed any opposition to their doctrine as racism, hate speech, toxic masculinity, homophobic, or transphobic, regardless of the gender or ethnicity of the individual opposing them. Wokeism is pure socialism, which they say socialism is communism in a hurry.

Now we have riots by woke organizations like Antifa, and BLM(Black Lives Matter), which are rooted and driven by hostile emotions.

Chapter 4-Anti-Meat the Woke Philosophy

Forbidding to marry, and commanding to abstain from meats, which God hath created to be received with thanksgiving of them which believe and know the truth.

1 Timothy 4:3

You might be saying, Brotha Ray, scripture tells us not to judge if some one chooses to eat meat or not, right? Romans 14:1-4 reads:

1 Receive one who is weak in the faith, but not to disputes over doubtful things. 2 **For one believes he may eat all things, but he who is weak eats only vegetables.** 3 **Let not him who eats despise him who does not eat, and let not him who does not eat judge him who eats;** for God has received him. 4 Who are you to judge another's servant? To his own master, he stands or falls. Indeed, he will be made to stand, for God is able to make him stand.

Romans 14:1-4

I fully comprehend the passage above and want to clarify that I am not suggesting that individuals who choose to follow a meat-free or dairy-free lifestyle are inherently evil. The scriptural verse clearly emphasizes that both meat eaters and non-meat eaters should refrain from passing judgment on one another, as this is the freedom we possess through our faith in Christ.

However, I intend to delve deeper into the subject beyond personal dietary preferences. Instead, I will explore a more sinister and conspiratorial aspect concealed within the vegan and vegetarian lifestyle. In other words, we will examine this phenomenon not only from an outward, surface-level perspective but also through a hidden, spiritual lens, unveiling the spiritual implications of this growing trend in veganism and vegetarianism as prophesied in scripture as a lifestyle that would manifest in the "last days."

1 Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils;

2 Speaking lies in hypocrisy; having their conscience seared with a hot iron;

3 Forbidding to marry, and commanding to abstain from meats, which God hath created to be received with thanksgiving of them which believe and know the truth.

4 For every creature of God is good, and nothing to be refused, if it be received with thanksgiving:

5 For it is sanctified by the word of God and prayer.

1 Timothy 4:1-5

We are witnessing a vast and intricate shift in the collective mindset, reaching far beyond the boundaries of individual thought. This paradigmatic transformation challenges the very essence of our connection to the divine, as it alters how we perceive and receive the gifts bestowed upon us by God. Instead of embracing the gift of meat with gratitude and appreciation for His benevolence, humanity seems to have undergone a perplexing reversal. We find ourselves, rather disconcertingly, unappreciative and repelled by God's provisions, casting them aside while tarnishing their essence through biases, vested interests, politically motivated researchers, and manipulative medical journals. These forces work tirelessly to distort the true nature of God's gifts, portraying them as inhumane and "evil."

The rise of veganism and vegetarianism has evolved into something more profound than a mere personal preference. It has become entwined with an anti-Christ agenda, reflecting the ominous aspirations of the New World Order. This global movement is shamelessly promoted by influential bodies such as the World Economic Forum and their "Great Reset" plan, Agenda 2030, and the proposed "Green New Deal" by certain political figures. Later on, we will delve deeper into these topics to uncover their significance.

Being vegetarian or vegan is often associated with religious fasting. This is why many vegan recipe books are written by individuals who practice witchcraft, and many vegetarians are Hindus. This connection can be traced back to the belief, supported even in religious texts like the Bible, that fasting connects our spirits to the spiritual world. For Christians, this means connecting with the Holy Spirit.

But why fast? Fasting weakens the body's physical senses, heightening the individual's spirit. The book Thessalonians teaches us that humanity comprises three components: body, soul, and spirit. Our soul is the control panel, housing our mind, emotions, and will. It

guides our body in this earthly dimension. Meanwhile, our spirit is the part of us intended to communicate with the spirit realm and, more importantly, with God. Through this communication, we receive guidance and understand His perfect will for our lives.

Unfortunately, after the fall of Adam and Eve due to sin, the human spirit became corrupted, and so did spiritual communication. The spirit could still connect to the spirit realm, but instead of reaching God's Heavenly Portal, it connected to the portal of the Kingdom of darkness and communicated with Satan. This polluted the human soul and made it unholy due to humanity's iniquity.

To make a long story short, Yeshua fixed that issue by paying the price for our sins through dying on the cross, which opened communication between humanity and God back up if there was repentance of sins and an acceptance and trust with Yeshua as Lord and Savior. You see, Yeshua gave us a new birth in our spirit through this new covenant, which God's Word calls "Being Born Again." In that, God has created a new un corruptible spirit in those who are in Christ.

*17 Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new.
2 Corinthians 5:17*

*“Being born again, not of corruptible seed, but of incorruptible, by the word of God, which liveth and abideth for ever.”
1 Peter 1:23*

Pagan religions believe that when they commit to fasting lifestyles such as veganism and vegetarianism, they continuously interact with spirit beings and demons in masquerade.

At our ministry, we have received testimonies from individuals previously following vegan and vegetarian diets. After they sought deliverance through the name of Yeshua, they shared that they experienced significant changes. They reported hearing voices in their heads and receiving visitations from familiar spirits and demons. Additionally, all of them were struggling with depression and confusion.

Nutritionists and doctors recognize that while a vegan or vegetarian diet can help improve

physical health, it may lack the essential fatty proteins the brain requires. These fatty proteins can only be obtained through animal protein rather than relying solely on fancy supplements. When the brain is malnourished, it lacks the necessary electrical stimulation, resulting in neurotransmitters like dopamine and serotonin being unable to function effectively. This can lead to decreased happiness and motivation within the brain.

The NWO's Demonizing of Meat

The conspiracy to demonize meat, starting with red meat, goes back to the late 1950s. The agenda and study was sponsored commercially by a new industry presenting products and health services around low fats products and low/no cholesterol diets, targeting red meat as the evil culprit.

In 1958 Dr. John Gofman who was called the "Father of Clinical Lipidology". Put together a research that revealed three major classes of plasma lipoproteins (VLDL, LDL, and HDL), molecules that carry cholesterol

and triglycerides in the blood, and their roles in metabolic disorders and coronary disease.

The study was written and distributed to the public market and taken at truth, though it had not gone through the regular protocol of research testing, which is:

1. Make observations.
2. Form a hypothesis.
3. Conduct experiments.
4. Collect data.
5. Conclude.

However, Gofman's research stopped at number two. It was only a hypothesis which many experts considered untrue. Though it is a fact that there are unhealthy chemicals placed into the meats that they sell in the marketplace, which has caused many to have an overwhelming phobia towards meats, many of those same chemicals are found in the air we breathe.

By no means do I advocate eating unhealthy products; however, I believe we must be careful not to fall victim to being controlled and manipulated by fear tactics by commercialized industries.

God gave meat to humanity as a blessing; we see this in scripture all through God's Word. God knew food at times can be contaminated; that's why He gave us His Word to bless it.

And ye shall serve the LORD your God, and he shall bless thy bread, and thy water; and I will take sickness away from the midst of thee.

Exodus 23:25

We see Elisha interceding for some stew that had been contaminated:

38 And Elisha returned to Gilgal, and there was a famine in the land. Now the sons of the prophets were sitting before him; and he said to his servant, "Put on the large pot, and boil stew for the sons of the prophets." 39 So one went out into the field to gather herbs, and found a wild vine, and gathered from it a lapful of wild gourds, and came and sliced them into the pot of stew, though they did not know what they were. 40 Then they served it to the men to eat. Now it happened, as they were eating the stew, that they cried out and said, "Man of God, there is death in the pot!" And they could not eat it.

41 So he said, “Then bring some flour.” And he put it into the pot, and said, “Serve it to the people, that they may eat.” And there was nothing harmful in the pot.

There are essential foods that the brain needs such as Natural Fats:

EPA (Eicosapentaenoic Acid) & DHA (Docosahexaenoic acid) are the most important Omega 3's which come through the animal fats.

Going back to the NWO, when the brain is weak, it's easy to program and control.

Billionaire globalist Bill Gates, who owns Microsoft and the synthetic food company *Impossible Foods*, aims to replace all meat with synthetic (artificial) ingredients. His company has developed synthetic versions of beef, cheese, and chicken, and is currently working on a line of synthetic fruits and vegetables. Gates is fully dedicated to the New World Agenda of a meatless world and has solidified his commitment by becoming the largest farm owner in the world. His plans involve genetically modifying produce seeds and patenting them, similar to what he has done with his artificial meat products.

This is why you have billionaire globalists like Bill Gates buying up all the farms. Gates is the largest farm owner in the united states.

Gates, along with BlackRock, Vanguard, and State Street corporations, are promoting veganism. Why? because mind control is needed to bring forth the antichrist agenda

Veganism sedates and formats the mind, making it more susceptible to the New World Order witchcraft programming.

God's Word says in the last days, the days in which the anti-Christ lives, that many will refuse meat. We have had a drastic increase in veganism and vegetarians in our society:

Veganism and Vegetarianism on a Drastic Rise in America

The New World Order's fear tactics have been effective within the last decade, and there has

been a dramatic spike in vegetarians ism and vegans; here are the stats:

4% of the population in America is Vegan

<https://www.statista.com/statistics/1280066/global-country-ranking-vegan-share/>

5% of the population in America is Vegetarian

<https://www.statista.com/statistics/1280079/global-country-ranking-vegetarian-share/>

That is up over 600% compared to a decade ago, and still growing. This is just one of many strategies the NWO is utilizing to fertalize the minds of humanity to be deceived to embrace the anti-christ's One World Order, and his number 666.

Chapter 5- Ancient Queen of the LGBTQ,... Enchantress, The Diabolical... Rainbow Goddess

The LGBTQ movement is an ancient movement that is nothing new. It originated in Mesopotamia and Babylon, where the culture worshipped the goddess Enchantress.

Rabbi Jonathan Cahn has done an exceptional job exposing the ancient Babylonian roots of this diabolical spirit, aka “Whore of Babylon.” His new book, “The Return of the Gods,” was an excellent resource for this session.

“Rainbow Goddess”

Enchantress, by her followers, is known as “goddess of the sky, queen of heaven, master of tempests, hurler of lightning bolts, giver of rain.” Here is an ancient Babylonian hymn praising her:

“Loud Thundering Storm, you pour your rain over all the lands and all the people. She directed its every gust, every peal of thunder, and every drop of rain. And, thus, the rainbow was under her lordship and direction.”

An ancient Elamite inscription records her name with a title in front of it—the word, “Manzat.”

Manzat means “rainbow.” The Enchantress invading America is aka “The Rainbow Goddess.” An ancient Babylonian text describes her eyes as multicolored and iridescent. The ancient word is translated as iridescent, which comes from the Latin root iris, which means “rainbow.” Iris is also the name of the Roman goddess of the rainbow. So, as we can see, the rainbow, which is the current brand logo of the LGBTQ movement, is the ancient symbol of Enchantress, on which the LGBTQ doctrine is built.

As with many pagan gods and goddesses, her roots come from Babylon; her name, customs, and rituals have been changed and modified throughout the centuries to adapt to various territories and cultures. Enchantress is recognized as the spouse of Baal, a pagan deity mentioned in the Old Testament. Baal serves as the leader among all the demonic pagan gods, all of whom are under the leadership of Satan.

She is also recognized as Ishtar, Asherah, Venus, the Queen of Heaven (as mentioned in Jeremiah 7:18), and the Whore of Babylon in the book of Revelation. Israel faced admonition and punishment from God for worshipping these false pagan goddesses. In

many cult circles, Venus is known as an androgynous demonic deity, the female counterpart to Satan.

A hidden truth in Hollywood paganism is that the peace sign frequently displayed by many celebrities is a homage to "Venus," symbolizing their allegiance to Satan after making a deal (selling their soul) with him.

Again, this symbol is associated with the female representation of Satan in certain satanic cults.

In the realm of the occult, signs reveal and conceal meanings, and I go into more detail about this in my books, "Demon Mentality Exposed" and "Greek Letter Exposed."

This demonic spirit of Enchantress takes on various forms and commands legions of demons to carry out Satan's desires. Enchantress is associated with sexual promiscuity, feminism, prostitution, transgenderism, and other forms of sexual perversion. Her followers believe that she possesses the ability to cast spells to make same-sex attractions develop.

Ishtar, also known as Enchantress, was married to Tammuz, an ancient false pagan god, to whom she was unfaithful. According to Greek oracles, she was notorious for her infidelity, engaging in serial adultery. She is often depicted naked or in revealing attire. Enchantress is characterized as loud, vengeful, cunningly romantic, proud, seductive, rebellious, and covetous. Ironically, these are the same traits embraced by the "modern-feminist" movement in today's world.

The Oracles record that she indulges in alcoholic beverages, preferably beer, and would hang out at ale taverns (bars), conjuring up alcohol intoxication with immoral sexuality. In ancient times, going back over 7000 years ago to Mesopotamia, witches were known for brewing beers.

These hags would place spells and curses within the brewing pot, serving beer as a catalyst to spread curses, spells, and sexual perversion throughout society.

Enchantress was known to have the magical power to “grind” away a man's masculinity to make him feminine as well as modify a man into a woman and a woman into a man.

Today, emasculation of the male is part of the agenda that the LGBTQ movement is executing with zealousness. It labels and defines man's God-given masculine role as the protector of his wife and family as "toxic masculinity."

This movement teaches men and boys to be more expressive of their feelings, to wear softer colors, to like and embrace pink, and to get in touch with their feminine side.

On the other hand, this movement teaches women and girls to become hard-core feminists by encouraging them to hide their emotions with toughness, dress in rugged and more masculine clothing, and assert strength and leadership in the workplace and at home; thus, the term "boss lady" came into being. This trend strongly opposes God's command for the husband to head the household (Ephesians 5:23).

Gender-bending propaganda aims to confuse humanity and steer them away from their innate gender roles bestowed upon them by God. Its ultimate purpose is to hinder individuals from embracing and actualizing God's flawless blueprint for their lives, thus, redirecting them toward fulfilling Satan's malevolent intentions instead. Satan's chief

goal is to corrupt and destroy the souls God loves, the souls He sent His only Son to be brutally crucified for, to redeem and atone for their transgressions against a righteous and Holy Heavenly Father (John 3:16).

Enchantress would perform "gender-affirming surgery" or sex change surgery on her worshippers. Images engraved on ancient Babylon tablets show men dancing and praising Enchantress with scalpels in their hands after being voluntarily castrated to switch to a female role in society.

Enchantress had male temple priests that would dress up in female clothing and with makeup, behaving like women. Parents in the community would bring their children to the temple and let these transgender priests dance before them. Does this sound familiar? Yes, we now see these original drag queen shows being promoted to children here in America.

For Enchantress and her followers, the most powerful month of the year to cast spells on the culture is June, namely, June 26th. Interestingly, on June 26th, 2015, the

Supreme Court made the monumental ruling to redefine marriage according to their terms and legalize same-sex marriage. Furthermore, all three rulings in favor of the same-sex marriage agenda occurred on June 26th. This is not a coincidence but rather a sinister omen.

A June 26, 2015, decision that favored same-sex marriage rights aligned with the two big decisions that set up the Obergefell case.

On June 26, 2003, a divided Court said in *Lawrence vs. Texas* that a Texas law that made it a crime for two persons of the same sex to engage in intimate sexual conduct was deemed unconstitutional.

And on June 26, 2013, a divided Court in *United States v. Windsor* said that the Defense of Marriage Act (or DOMA) was unconstitutional as a “deprivation of the equal liberty of persons that the Fifth Amendment protects.”

In this present time of American history, the United States has forsaken its allegiance to God and succumbed to this ancient Enchantress spirit's alluring, deceptive influence. This Babylonian spirit, also known as "The Great Whore of Babylon," has resurfaced and is more aggressive than ever.

The spell of Enchantress has cast her diabolical spells on America—witchcraft, New Age, sexual perversion, gender-bending, and abortion are a growing epidemic, and there are no signs of these evils slowing down.

The Enchantress' territorial Rainbow flag has been hoisted in this nation, and her enchantment has been unleashed upon humanity, spreading like a contagious epidemic.

Unfortunately, mainstream America, including our government, has tragically embraced this detestable spirit, and God's prophetic wrath is imminent.

Let no man deceive you with vain words: for because of these things cometh the wrath of God upon the children of disobedience. Be not ye therefore partakers with them.

Ephesians 5:6-7

America has defiantly legislated sins against God into categorial "human rights."

As foretold in the Bible, this is the spirit of the "Great Whore of Babylon," which scripture states that the entire world has indulged in and become intoxicated by the abominations of her cup (Revelation 18). The following are a few examples of the wicked manifestations of the Enchantress spirit within our society:

- Same-sex attraction/Homosexuality/Lesbianism/Transgenderism
- Adultery/Fornication/Sexual Promiscuity
- Pedophilia
- Divorce
- Craving for Alcohol, especially Beer.
- Vindictive Behavior
- Feminism
- Drag Queens
- The Emasculation of men and boys
- The Masculinizing of women and girls
- Witchcraft/New Age
- Substance Addiction
- Pride

It's ironic that the LGBTQ organization, led by the demonic spirit of Enchantress, encourages its followers to be filled with and emboldened by pride. Pride is a sin that is

repeatedly referenced as extremely infuriating to God. The sin of pride is listed in Proverbs 6:16-19 as one of the most detestable sins God hates the most. The LGBTQ organization willingly operates and openly associates itself with the word "pride."

The LGBTQ movement has gained so much momentum that it transitioned from having a "pride" day to having a whole "pride" month. Pride is the same wicked sin that led God to wipe out the entire population of the earth, except for Noah's family, because of Noah's obedience (Genesis 6:5-7).

God hates pride so much that He tells us to hate it too:

The fear of the LORD is to hate evil: pride, and arrogancy, and the evil way, and the froward mouth, do I hate.

Proverbs 8:13

God marked the rainbow as a new covenant with humanity, out of His love and mercy for us, as a reminder that He would never again destroy the earth by flood (Genesis 9:13).

However, the LGBTQ movement has desecrated the meaning of God's creation of the rainbow, making it a symbol for every form of sexual perversion.

The Enchantress spirit willingly serves Satan, and her ultimate goal is to lure humanity away from God, leading them toward eternal damnation in the Lake of Fire (Revelation 20:15).

God, in His Word has pleaded with humanity to separate themselves and come out from amongst the diabolical spirit of the Enchantress.

And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.

Revelations 18:4

Can The Enchantress Spirit possess a Believer?

Can a demon possess a Christian? Can the spirit of Enchantress possess a Christian believer? Demon possession of a Christian is controversial in the mainstream church.

According to God's Word, let me now bring some understanding on this topic.

The Bible tells us that we are body, soul, and spirit.

...and I pray God your whole spirit and soul and body be preserved blameless unto the coming of our Lord Jesus Christ.

1 Thessalonians 5:23

Our soul navigates our body, which is influenced by our spirit. We are born with a sinful spirit, which came through the spiritual gene pool of Adam and Eve after they transgressed against God's laws. That spirit influences the soul (the mind, will, and emotions). Since natural birth, the sinful, corrupt spirit of death has dwelled in all of humanity at one time. It has been on a continuous mission with demons to deploy negative, sinful thoughts into one's mind—to influence and manipulate one's emotions so that their will, comes into agreement with Satan's will.

This is why we must be born-again with a new, incorrupt spirit. So we can carry out God's will for our lives (1 Peter 3:4). Once we

obtain our new spirit through this "born-again" experience, the Spirit of Christ, now within you, will influence the soul to carry out God's perfect will for your life. Christ's Spirit renews one's mind through God's Word (Holy Bible), which enables us to know what is true, false, acceptable, and impermissible.

And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.

Romans 12:2

Jesus answered and said unto him, Verily, verily, I say unto thee, except a man be born again, he cannot see the kingdom of God.

John 3:3

Now, let's discuss the Spirit component. The Spirit of a "Born Again" believer cannot be corrupted according to God's Word; therefore, the Spirit of a Christian cannot be possessed by evil.

But let it be the hidden man of the heart, in that which is not corruptible, even the ornament of a meek and quiet spirit, which is in the sight of God of great price.

1 Peter 3:4

The spirit is just one component of the human, there are two more components as referenced in 1 Thessalonians 5:23.

Once again, we have the soul, which comprises the following subcomponents: mind, emotions, and will. The will serves as the crucial element within the soul that we will focus on. God has given us free will to either follow His will or not.

Ephesians 4:27 instructs us not to give place to the Devil. How do we give place to Devil? By sinning and taking our own selfish path in life, by following our own will and not God's.

When we give place to the Devil through disobedience to God, it can open a spiritual door or "place" within the soul for demonic forces to enter and gain influence and control. Once access to the soul is granted, demons

can access the body and deploy curses in that region, such as inflicting pain, sickness, disease, and even death.

A Christian's spirit is guided by the Holy Spirit, who dwells within the believer. According to God's Word, the body is considered the temple of the Holy Spirit, and we are advised not to grieve Him. When a follower of Christ allows demons entry through sinful living, it grants them spiritual permission to reside within one's body and soul, hindering the work of the Spirit and causing grief to the Holy Spirit. Therefore, while demons can possess a Christian's body and soul, they cannot possess their "Born Again" spirit.

Many people from the LGBTQ community have come to our ministry asking for deliverance after they had repented for their wayward lifestyles.

You may know someone who is affected by the influence of demonic LGBTQ spirits, such as Enchantress. Perhaps you yourself feel trapped, hopeless, and believe there is no way out. Some theories propose that individuals are born with same-sex attraction, transgender dysphoria, or other non-conforming identities.

I do believe that generational curses can affect biology and be passed down through the gene pool, manifesting as issues in the form of alcoholism, phobias, and mental illness.

I believe soul ties formed through sexual immorality can lead to demonic oppression and even possession by the sexually deviant spirits of the Enchantress.

When I talk about STDs, I'm not just talking about sexually transmitted diseases, but also sexually transmitted demons.

As someone who ministers in deliverance and has worked with individuals of the LGBTQ community as a retired correctional counselor, I have listened to their stories of pain, abuse, confusion, rejection, and depression. I have come to believe and understand that some individuals are born with these innate struggles, so I emphasize their need to be "born-again."

Jesus explained that unless one is born-again, one cannot enter God's kingdom (John 3:3).

In conclusion, Yeshua (Jesus) taught that a demon can possess a believer in the following passage.

43 When the unclean spirit is gone out of a man, he walketh through dry places, seeking rest, and findeth none.

44 Then he saith, I will return into my house from whence I came out; and when he is come, he findeth it empty, swept, and garnished.

45 Then goeth he, and taketh with himself seven other spirits more wicked than himself, and they enter in and dwell there: and the last state of that man is worse than the first. Even so shall it be also unto this wicked generation. (Matthew 12:43-45)

In this setting, Jesus brings up the issue of deliverance, stating, "When the spirit has gone out of a man," this only happens through Salvation. Then, He warns that if the demon comes back at a later time and "findeth it empty," meaning the righteousness of God has vacated the soul of the believer, as a result of sinful living. Then that demon will return with seven more wicked demons than himself.

Am I saying that every time we sin, a demon enters? No, I am not. We often sin in our thoughts and attitudes, whether we realize it or not. However, demon possession can happen when a Christian gives a willful place to habitual sin and is unrepentant about it.

The following prayer are for those who are ready to surrender their lives to a loving Heavenly Father by accepting His Son, Yeshua Hamashiach (Jesus Christ), as their Lord and Savior.

SALVATION & DELIVERANCE PRAYER

Lord Yeshua Hamashiach (Hebrew=Jesus Christ), I believe You died on the cross for my sins and that Your Heavenly Father rose You again from the dead on the third day. You redeemed me by Your blood, I belong to You, and I want to live for You. I confess all my sins-known, and unknown-I'm sorry for them all. I renounce them all. I forgive all others as You have forgiven me.

Lord, cleanse me with your blood and fill me with Your Holy Spirit. Thank you for the blood, which cleanses me from all sin.

And I come to you now as my Deliverer and Healer. You know my special needs- the thing that binds, torments, defiles: that evil spirit, that unclean spirit- I claim the promise of Your word. "Whosoever that calleth on the name of Lord shall be delivered."

I call upon You now! In the name of Yeshua, deliver me and set me free!

Satan, I renounce you and all your works! I loose myself from you, in the name of Yeshua, and I command you to leave me right now, in Yeshua's name!

Chapter 6- The Progressive Christian Church...Wokeism's Brand of Christianity

In the interim of all this end-time chaos happening in our world, satan has set a diabolical religious trap for those desperately seeking truth. For those compromising Christians, that trap is called progressive Christianity.

As a retired correctional counselor, who has worked with some of the most dishonest, manipulative, and devious individuals, one cliché I can confirm from my own experience, which is true, is that the best lie is mixed with much truth.

Progressive Christianity is the counterfeit, woke brand of Christianity, which caters to and appeases humanity's selfish and lustful desires by undermining and even changing God's truth in scripture by cultivating a doctrine for counterfeit grace, also known as hyper-grace. Conveying that after one receives Salvation, they are "free in Christ" to live freely without all the restraints of the traditional Holy Bible. Those who confront or

admonish their selfish carnal lifestyle will immediately be deemed as judgmental and legalistic. Again, Progressive Christianity is a product of wokeism.

God's Word addresses the topic of hyper-grace in the New Testament:

What shall we say then? Shall we continue in sin, that grace may abound? God forbid. How shall we, that are dead to sin, live any longer therein?

Romans 6:1-2

For if we sin wilfully after that we have received the knowledge of the truth, there remaineth no more sacrifice for sins,

Hebrews 10:26

The Apostle Paul warned us of these false teachers, catering to the "itching ears." The itching ears of individuals who are seeking and hoping that others, especially clergy will affirm their habitual sins and carnal ways. Paul also prophesied there would be a great falling away, of Christians, leaving the Truth of God's Word to follow the "doctrines of devils."

For the time will come when they will not endure sound doctrine; but after their lusts shall they heap to themselves teachers, having itching ears;

2 Timothy 4:3

1 Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils;

2 Speaking lies in hypocrisy; having their conscience seared with a hot iron;

3 Forbidding to marry, and commanding to abstain from meats, which God hath created to be received with thanksgiving of them which believe and know the truth.

4 For every creature of God is good, and nothing to be refused, if it be received with thanksgiving:

5 For it is sanctified by the word of God and prayer.

1 Timothy 4:1-5

God's Word warned us not to take away or add to His Word (Holy Bible), lest they be cursed by the same plagues we see recorded in scripture.

Ye shall not add unto the word which I command you, neither shall ye diminish ought from it, that ye may keep the commandments of the LORD your God which I command you.

Deuteronomy 4:2

For I testify unto every man that heareth the words of the prophecy of this book, If any man shall add unto these things, God shall add unto him the plagues that are written in this book:

Revelation 22:18

Satan has different degrees of progressive Christianity, from very subtle to extreme, such as the New World Interfaith Church. Yet, all are as toxic, creating a spiritual pathogen to developing a reprobate mind, which can lead to eternal damnation in the lake of fire.

Progressive Christianity is another false doctrine following the same playbook satan as the serpent used in the Garden of Eden, to get humanity to question God's Word and convince them that they could obtain divinity within themselves.

I've known Christians that have deceptively fallen for the progressive Christianity lie, such

as when a close family member fell into habitual sin such as homosexuality, they were so hurt and afraid for their loved one's Salvation that instead of praying and rebuking their loved one in love, they gave heed to the seducing progressive Christianity spirit, and let it soothingly scratch their ear, resisting the Holy Spirit over and over, until their heart became deafened and hard into a state of reprobate. They allowed this spirit to lie, twist, remove, and even rewrite God's Word to affirm their loved one's sin, living in a new world of satanic delusion.

This type of deceptive spiritual practice of soothing the "itching ear" end game is to develop a reprobate heart within the individual. The word reprobate in Greek means "non-functioning." Meaning the individual with the reprobate mind can no longer discern or process God's knowledge and wisdom. It is a cursed mindset put on them as a judgment by God for their continuous and willful disobedience (Romans 1:28).

Again the lure of the progressive church is that they cater to worldly desires while presenting themselves in a light of godliness. God warns us of such movements in His Word.

... having the appearance of godliness but denying its power. Avoid such people.

2 Timothy 3:5

Their process is to lower God's standard to embrace the masses, such as by affirming:

- Ungodly secular music and entertainment
- Embracing: Homosexuality, Lesbianism, Transgender, Same-sex marriage etc...
- Pagan Eastern Mysticism: Yoga, Acupuncture, Tai Chi, Zen Meditation, etc...
- Abortion
- Fighting Racism with Racism
- All world religions lead to Salvation.
- Etc...

Satan opposes the teachings on spiritual gifts and the divine authority bestowed upon true Christian believers. This deceiver does not want the church to rely on the Holy Spirit in

the name of Yeshua (Hebrew=Jesus) for casting out demons, healing the sick, and prophesying. Instead, he aims to lead the church through human reasoning. He can maintain humanity's captivity in their self-created prison by doing so.

God in His Word has lovingly given us a preventive solution to avoid being deceived by false doctrine: to renew our minds with His Word (Holy Bible). We renew our minds by reading, meditating, and obeying His Word daily. This is the only way to safeguard your soul from the enemy's attacks truly.

And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.

Romans 12:2

This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then

*thou shalt make thy way prosperous, and then
thou shalt have good success.*

Joshua 1:8

Chapter 7- Universal Wokeism Religion

Interfaith Church

Some see the interfaith movement as a strategy to enhance the infrastructure of a global government under the coming anti-Christ rule. Its ultimate goal is to foster peace and harmony among all religions worldwide, promoting the belief that humanity has been universally "saved" by a higher power.

During the 1999 World Economic Forum in Switzerland, Dominic Peccould, an advisor at the International Labour Office, discussed the significance of religion in the new millennium. He emphasized the need to challenge fundamentalism by shifting away from the notion that salvation relies on adherence to specific religious principles. Instead, the idea is to recognize that everyone is saved.

Throughout history, religious conflicts have caused divisions and wars among kingdoms. Unfortunately, these conflicts still persist in our present era.

You can't have a true one world government when there is major conflict between the countries over religion. The interfaith is fueled with deception and delusion.

In order for all the religions to fit within the NWO puzzle frame, there must be some modifications. The Pope and the Dali Lama have started the modifications.

God's Word prophesied there would be a great falling away.

*Let no man deceive you by any means: for that day shall not come, except **there come a falling away** first, and that man of sin be revealed, the son of perdition;*

2 Thessalonians 2:3

Many of the Lord's churches have broken the covenant and have migrated from the flock to embrace the abominations of the LGBTQ movement. As discussed previously, these movements receive considerable financial support from individuals with immense wealth and have established their own network of churches, institutions, and non-profit organizations. Those who become part of this network often benefit financially and maintain

a positive reputation within the mainstream community and government.

These individuals, who were once committed to their faith in God, have abandoned that covenant to form a new alliance with the rainbow symbol. When you cast your vote to support their initiatives and candidates, it is akin to making a solemn pledge or dedication. The word "vote" has its origins in the Latin term "votum," which means "a vow, wish, promise to a god, solemn pledge, or dedication."

These defectors boldly and defiantly embrace and promote the LGBTQ rainbow flag, which represents "pride," the very sin why God send the flood to destroy most of humanity in the first place. God hates pride, period. And to defy God by defiantly parading it in God's face is foolery; it's an abomination.

Just know scripture tells us God will not be mocked:

Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap.

Galatians 6:7

With that being said, let me share this recent story with you:

A fire that burned down a 160-year-old Massachusetts church on June 2, 2023, just hours after they celebrated pride month, was started by a lightning strike, a fire chief said. The First Congregational Church in Spencer caught fire Friday afternoon when a storm was approaching. The video showed the steeple falling as the building was engulfed in flames.

The church had embraced "woke LGBTQ+" people. The church had publicly posted positive and affirming messages about Pride month in recently, according to a number of past images on its [headtopics.com](https://www.headtopics.com) Facebook page.

Many other recent stories of God's judgment coming quickly on those who have mocked Him openly and publicly.

Pope & Dali Lama Leading the Charge for the InterFaith Church

Two prominent religious leaders are leading the charge toward the worldwide development of this interfaith structure. The Dali Lama, who just recently made worldwide news for publicly asking a 7-year-old boy to suck his tongue, and the Pope, who in the last couple of years has not only spiritually decriminalized homosexuality, gay marriage, and abortion, but has felt he has the authorization to bless it now. However, our Heavenly Father, who sits on the throne above all thrones, still calls it “sin!”

These two false teachers have called for all the major religious leaders in the world to come together in love and peace. The pope has even gone as far as to say all the major religions serve the same god. This contradicts all the teachings from almost every religion because it is a downright lie and a self-proclaimed Bible scholar as himself would know that.

The Dali Lama has invited a mass meditation for world peace to cultivate love and unity. The invite is disguised as a benevolent and peaceful gathering of just heart-felt

meditation to bring forth positive frequencies worldwide.

What's not being said is that the meditation he will facilitate and has facilitated already is Buddhism meditation, where they call forth what they believe to be their supreme deity as their "mantra" for everyone to say. This is pagan worship, which is witchcraft according to the Holy Bible.

In witchcraft, it is believed that meditating humanity at a specific frequency, like eight HZ, opens their soul and heart to spiritual influence and programming.

"My people perish for a lack of knowledge."

Hosea 4:6

Chapter 8- Woke End Game... Reprobate Mind

A reprobate mind is blatantly defiant and disobedient to God's Laws and order. Its destination is the Lake of Fire. According to Romans 1: the Reprobate mind is God's judgment on those who have adamantly displayed a pattern of willfully rejecting Him.

Reprobate in Greek means "*non-functioning.*" It can no longer function with God's wisdom and knowledge; it lacks basic common sense.

For example:

It believes a man can evolve into a woman or a cat if he or she desires and that society should validate it based on their feelings.

The other day I heard social media influencer Samuel Fisher say something very clever, profound, and true about this topic.

He said, "If you don't believe gender matters, buy a rooster for eggs and a bull for milk, and

you will soon learn that God knew what He was doing.

It believes a baby is a baby in the womb if you want it, however the same baby is just a clump of cells that they have a freedom of choice to kill if they don't want it.

Wokeism rejects God's written covenant that marriage is only between a man and a woman and that sex can only be between a marriage couple, i

Wokeism supports lesbianism and homosexuality as a marital union. In scripture, God destroyed entire societies with fire and water for these sexual sins.

As a result of the flood in Noah's era, the rainbow symbolizes God's covenant never to destroy the world with water again. However, it is disheartening to witness some individuals using the rainbow as a symbol of pride, deliberately defying God's laws and order. It is important to note that homosexuality was mentioned as an abomination in Romans 1, preceding God's judgment on the reprobate mind.

The LGBTQ movement has been a very successful reprobate movement for Satan in that it extends beyond a progressive pride movement—it has become a movement of individuals who have willingly immersed themselves in habitual sin and chosen to ignore the conviction of their actions by the Holy Spirit. This results in God withdrawing from them, allowing Satan to take control of their minds as a form of judgment.

Consequently, their ability to discern God's divine wisdom and truth becomes impaired.

The reprobate mind is characterized by illogical, ridiculous, unreasonable, and unyielding thinking. Those with a reprobate mind have no fear of God and operate outside the boundaries of His wisdom. They are influenced and programmed by their own self-understanding, societal influences, and even malevolent spiritual forces.

God's Word provides a historical record and insight to understand what leads to society's spiritual decay.

It all begins when a society starts openly rejecting God and His Word, the Holy Bible. This trend can be traced back to the United

States in 1962 when the Supreme Court ruled prohibiting prayer in schools. The late 60s saw the rise of the sexual revolution, which embraced the idea of "free love" without moral boundaries. Just a few years later, in 1973, the diabolical right to abortion was granted to parents, resulting in the tragic loss of over 2600 innocent lives each day.

During the 70s, the LGBTQ+ movement began to form, facing considerable opposition but remaining steadfast in its mission. Today, they have become a dominant force, effectively advocating for their agenda and bringing about significant changes to traditional laws and policies in every aspect of US society.

- Government
- Corporate
- Sports
- Medical
- Marriage/Family
- Church

In the book of Romans, the Holy Bible talks about the very phases of society that lead to a reprobate mind. In summary, it starts when society openly questions and rejects God and His Word critically. Society cultivates a

deviant and promiscuous sexual revolution(pornography, fornication, lesbianism, and homosexual culture). As described in Romans, the lesbian and homosexual culture is the last phase before God allows His judgement of a reprobate spirit to take over humanity's mind.

The reprobate mind is:

- Illogical
- Enemy of God (scripture)
- Implacable (unreasonable)

A reprobate mind is when men are believing they are women and vice versa. Most refuse to be counseled out of this foolishness because you have educated fools affirming the foolishness. The reprobate mind, by default, rejects common sense; it doesn't matter how high the individual went up the educational ladder, their mind is nonfunctional, and it can not receive or process God's knowledge and wisdom; this is the judgment that has been given to them by God for their willful disobedience.

Liberal political parties and organizations groom humanity to be reprobates. Though many might say they don't participate in the LGBTQ movement, however when you affirm

and advocate it, by even just voting or endorsing a candidate who's agenda does advocate for LGBTQ, abortion, etc... that individuals just as guilty in God's eyes.

Chapter 9- Woke Creating Obedient Citizens for the New World Order

The influential powers behind the Woke movement were the global elites of the New World Order. These individuals control our banking systems, including centralized banks like the Federal Reserve. Interestingly, the Federal Reserve is far from being "federal" and is, in fact, closely tied to the Bank of England. This establishment is governed and owned by elite investors, such as the influential bloodline families of the Rockefellers and Rothschilds. They employ various societies, like the Freemasons and Greek organizations, and powerful financial corporations like BlackRock, Vanguard, and State Street, to further their agenda for a New World Order.

Their strategies and intentions are clearly revealed to us in the Holy Bible. Among other chapters, the book of Revelations sheds light on their role as willing and deceived disciples of the anti-Christ. Their ultimate mission is to "kill, steal, and destroy"(John 10:10) under the command of their master, Satan. With this purpose in mind, they seek to corrupt, depopulate, and dismantle God's natural

order and creation. With its mass manipulative tactics, the Woke movement has proven to be an immensely effective weapon in advancing the agenda of darkness.

New World Order Agenda

The government assumes management and control over every aspect of its citizens' lives. This implies a totalitarian system in which citizens have no rights to private property. It aligns perfectly with the blueprint of the New World Order. The antichrist won't settle for anything less than a totalitarian form of governance.

Lucis Trust, originally known as Lucifer Trust, is a publishing house specializing in distributing United Nations materials. Founded in 1922 by a high-level witch, Alice Bailey, it was initially established as the publishing company for Bailey, Blavatsky, and the Theosophical Society's books. The infamous Adolf Hitler was a student of the Theosophical Society.

Lucis Trust has played a significant role in writing the fundamental 24 Esoteric writings for the New Age movement and has

influenced shaping the policies of the United Nations. Some view this influence as a critique, highlighting the UN's New Age and Paganistic nature.

Here are the world goals instituted by Lucas Trust in the early 20th century. The following plans are blatantly anti-christ; what would you expect from an organization formally known as Lucifer Trust?

The 10 Point Charter By Alice Bailey:

1. Take God and prayer out of the education system.
2. Reduce parental authority over the children.
3. Destroy the Judeo-Christian family structure or the traditional Christian family structure.
4. If sex is free, then make abortion legal and make it easy.
5. Make divorce easy and legal, free people from the concept of marriage for life.
6. Make homosexuality an alternative lifestyle.
7. Debase art, make it run mad.
8. Use media to promote and change mindsets.
9. Create an interfaith movement.

10. Get governments to make all these laws and get the church to endorse these changes.

These ten anti-christ points from Lucis Trust perfectly align with wokeism. This is why groups such as LGBTQ and Black Lives Matter receive significant financial support from affluent globalists—it is their alignment with a shared sinister objective.

Chapter 10-Safeguarding Your Mind From Wokeism & The Reprobate Mind

Safeguarding From Satan's Identify Theft

Satan's objective is to distract and block humanity from understanding their true identity in Christ. For those who have been blessed to enter into Christ by accepting Yeshua as their Lord and Savior and find their identity in Him, satan's objective is to get them to question and doubt God's character to get them to doubt their own identity in Christ, which many have done, and have fallen away from the faith.

2 That ye be not soon shaken in mind, or be troubled, neither by spirit, nor by word, nor by letter as from us, as that the day of Christ is at hand.

*3 Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, **the son of perdition;***

4 Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.

5 Remember ye not, that, when I was yet with you, I told you these things?

6 And now ye know what withholdeth that he might be revealed in his time.

7 For the mystery of iniquity doth already work: only he who now letteth will let, until he be taken out of the way.

2 Thessalonians 2:2–7

This strategy is out of the same playbook satan use in the Garden of Eden, when he was successful in getting Eve to doubt God's word, which lead to all humanity's downfall.

This is why we have to know God's Word for ourselves, so we won't be deceived by counterfeit interpretations.

15 Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.

2 Timothy 2:15

2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. Romans 12:2

God's Word tells us to stay spiritually sober, so we don't get drunk from the devil's cup.

8 Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour: 1 Peter 5:8

God's Word warns us that the Whore of Babylon, representing the Kingdom of Darkness, will intoxicate the entire world and its leaders, enticing them to embrace immorality and paving the way for the acceptance of the mark of the anti-Christ. Wokeism is one of the spirits that flows from the devil's bar, along with other wicked tools like music, sigil magick, yoga, Eastern meditation, tattooing, drugs, alcohol, Greek and Masonic organizations, and more.

18 After this I saw another angel coming down from heaven, having great authority, and

*the earth was made bright with his glory. 2
And he called out with a mighty voice,*

“Fallen, fallen is Babylon the great!

*She has become a dwelling place for
demons,
a haunt for every unclean spirit,
a haunt for every unclean bird,
a haunt for every unclean and detestable
beast.*

*3 For all nations have drunk[a]
the wine of the passion of her sexual
immorality,
and the kings of the earth have committed
immorality with her,
and the merchants of the earth have grown
rich from the power of her luxurious living.”*

*4 Then I heard another voice from heaven
saying,*

*“Come out of her, my people,
lest you take part in her sins,
lest you share in her plagues;*

*5 for her sins are heaped high as heaven,
and God has remembered her iniquities.*

*6 Pay her back as she herself has paid back
others,
and repay her double for her deeds;
mix a double portion for her in the cup she
mixed.*

*7 As she glorified herself and lived in luxury,
so give her a like measure of torment and
mourning,
since in her heart she says,
‘I sit as a queen,
I am no widow,
and mourning I shall never see.’
8 For this reason her plagues will come in a
single day,
death and mourning and famine,
and she will be burned up with fire;
for mighty is the Lord God who has judged
her.”*

Revelations 18:1-8

I praise you, for **I am fearfully and
wonderfully made.**[a]
Wonderful are your works;
my soul knows it very well.

Psalm 139:14

God's Word tells us our identity and purpose
is in Christ.

*This was according to the eternal purpose
that he has realized in Christ Jesus our Lord,*

Ephesians 3:11

*When we are saved, he begins a good work in
us:*

*And I am sure of this, that he who began a
good work in you will bring it to completion at
the day of Jesus Christ.*

Philippians 1:6

The only way for one to understand their identity and purpose in life, is by cultivating a relationship with God the Son, who is the Savior Jesus Christ (Hebrew: Yeshua Hamachia). If that relationship is not developed then that individual will remain lost, until they do, or they will be eternally lost and end up in damnation.

God in His love is calling out to a disobedient generation to save them:

*But of Israel he says, "All day long I have held
out my hands to a disobedient and contrary
people*

Romans 10:21

God loves those in the world so very much, that He sent the ultimate sacrifice to save them from the wrath that coming to all of humanity for their sin.

“For God so loved the world,[a] that he gave his only Son, that whoever believes in him should not perish but have eternal life.

John 3:16

Chapter 11- Prayer for Reprobates

Heavenly Father, we decree your mercy and grace over our loved ones under your judgment for their continuous wickedness and rebellion, in which they have been given up to a reprobate mind.

Heavenly Father, I petition for your mercy that you lift the spiritual blindness of the reprobate veil so that they may see again the glorious truth of Your Word and Your Son Yeshua Hamachia.

According to Proverbs 21:1, as you have moved upon the king's hearts and changed them, you will do the same for our loved ones.

According to Psalm 103:20, I decree every principality and every cohort, strongman, demon, and minion that has jurisdiction over our loved ones, bound by your angels in Yeshua's mighty name! Every mind-binding, lying, deception, anti-christ, Enchantress spirit loosed off them and bound in fiery chains, and taken and confined to the deepest pit of hell.

I decree our loved ones set free, and the perfect work you have begun in them will be completed at the day of Christ in Yeshua's Mighty Name!
