GREEK LETTER EXPOSED

New World Order Committee

INTRODUCTION

With this book, I will be exposing the ancient historic roots of Greek Letter Organizations (GLO) and whether or not membership is spiritually safe and the passing on of generational curses. You might be surprised by some of the testimonials. I will be speaking not only from historical records, but also from my own personal experience as a Christian demon deliverance minister, who has personally ministered to numerous individuals who have been involved in Greek Letter Organizations and other secret societies.

Some who know me, know that I come from a family, whose legacy is being pioneers, founders and high ranking members of various prominent secret societies, which I do not feel lead by my spirit to go into detail at this time, by naming names. Let me also note, that my family has had some amazing Christian men and woman of God in our midst, who were missionaries and prayer warriors, whom I believe prayed me into the ministry I am in now, such as my grandmother.

There are some in my family who are not overjoyed to say the least about this book or my ministry, because many of them have benefited from our family's legacy in these secret societies. Sadly, many of those family members who are not a part of these secret societies, have been fooled by Satan and have departed from Christianity, even opting of their ministry calling, becoming "lukewarm," to embrace the pride of life, and the many cultic beliefs and practices of these pagan secret societies, which I will explain later in this book.

I have been shunned, criticized, lied on, and even plotted against by

GREEK LETTER EXPOSED

New World Order Committee

family members in an attempt to destroy my ministry. God, however, did not allow their weapons to prosper against me, according to Isaiah 54:17. God told me in His Word that this would happen, when I decided to follow Him down His straight path of uncompromising truth:

“But whosoever shall deny me before men, him will I also deny before my Father which is in heaven. Think not that I am come to send peace on earth: I came not to send peace, but a sword. For I am come to set a man at variance against his father, and the daughter against her mother, and the daughter in law against her mother in law. Shall be they of his own household. And a man’s foes shall be they of his own household. He that loveth father or mother more than me is not worthy of me: and he that loveth son or daughter more than me is not worthy of me. And he that taketh not his cross, and followeth after me, is not worthy of me. He that findeth his life shall lose it: and he that loseth his life for my sake shall find it.”

Matthew 10:33-39

However out of God’s love for my family and the rest of humanity, I must obey Him and expose the darkness behind these secret societies, based on God’s Word which states:

“Have nothing to do with the fruitless deeds of darkness, but rather exposed them.”

Ephesians 5:11

In doing this, I pray for my family and the rest of humanity, that some will come to the loving Truth in Christ.

In this book, I will discuss whether there is a link between these secret

GREEK LETTER EXPOSED

New World Order Committee

societies and the New World Order aka Illuminati. One must understand the Illuminati is not just the organization that started in Bavaria, Germany in 1776 by Freemason Adam Weishaupt, which wasn't even new then.

The procedures and goals of the Illuminati or New World Order Committee goes all the way back to the Mystery School religions of Egypt and Babylon. It is a massive network of worldwide organizations that have been working together for centuries at various levels to patiently and methodically bring forth and consolidate a one world government, currency and religion for the antichrist as prophesied in scripture in the Old and New Testament.

Many in these secret societies have only bits and pieces of Satan's plan, which is exposed in scripture both in the Old and New Testament. We will deal with that a little later.

All through the Old Testament and New Testament covenants with foreign pagan gods was a deal breaker. Exodus 20:3 "Thou shalt have no other gods before me." This, however, appears not to be a big deal to the mainstream church overall, as most have come to embrace and work with secret pagan societies.

Sadly many churches are not preaching on this. Why? Well, a recent survey stated that 9 out of 10 pastors won't deal with religiously political issues such as same sex marriage, abortion and end-time prophecies, because they believe it will affect their tithes and attendance.

Here is an alarming excerpt from Paul McGuire and Troy Anderson, authors of the "Babylon Code," which, by the way, is an excellent read.

GREEK LETTER EXPOSED

New World Order Committee

The story, based on a Barna Group study, found that 9 out of 10 pastors avoid giving sermons on controversial issues such as politics, abortion and same-sex marriage— even though the Bible speaks to every one of these issues— for fear of alienating people or impacting tithing. In a survey, 90 percent of the pastors conceded that the Bible addresses all those issues.

“Then we ask them, ‘Well, are you teaching your people what the Bible says about those issues?’— and the numbers drop to less than 10 percent of pastors who will speak to it,” George Barna said. Then, when asked how they judge the success of their church, the pastors cited five factors: attendance, giving, number of programs, number of staff, and square footage. “Now all of those things are good measures, except for one tiny fact, Jesus didn’t die for any of them,” Barna said. “What I’m suggesting is [those pastors] won’t probably get involved in politics because it’s very controversial. Controversy keeps people from being in the seats, controversy keeps people from giving money, from attending programs.”

Again, society and the mainstream church have become very comfortable and even accommodating to secret pagan societies all around and even among them. They don’t even inquire to know the secrets to their doctrine, naively believing it to be no threat, due to the fact that they do community service and give donations.

CHAPTER 1- WHY ARE THEY SECRET?

Should it concern us that there are secret groups within our communities and universities, that model themselves after ancient Babylon and Greek cult systems, such as the Freemasons, Order of the Eastern Star, Skull and Bones, Boule', College Greek Letter Organizations, Elks, Shriners, etc? Should we be concerned that these secret organizations have a pagan deity or deities that govern each chapter, which they give admiration to and make oaths and perform rituals and stepping/dancing to? Should that concern us?

By the way, some of these secret oaths are sworn to be punishable by death. Wow!! What secrets within a secret fraternity or sorority would warrant death? Are these not harmless, fun-loving social clubs which do great charitable acts (Shriner's hospital) and community service? The Freemasons and The Order of the Eastern Star created the college Greek Letter Organizations as an applicant pool for themselves and to those within their network.

Why does it appear that many of society's elite, whether in business, politics, education, medical, or entertainment are within this secret society network?

Should we be concerned that the majority of court justices, United States presidents, legislators, high-level medical, military and law enforcement administrators, are members of this network of secret societies? Should we be concerned that these leaders meet secretly with other world leaders who are also members of this secret society network, or in secret meeting clubs, where even the press is excluded, such as the Bohemian Grove (where they worship a 40-foot owl of the deity Moloch in a Cremation of Care Ritual, which

symbolizes burning their conscience), Bilderberg Group, Council of Foreign Relations, Club of Rome, among others, to discuss world policies and plans for a New World Order, a one world government as prophesied in the Holy Bible and even on our dollar bill, which was designed by an occultist and authorized by President Franklin D. Roosevelt (a 32nd degree Freemason) in 1933? Do these secret societies, make up the network of the Illuminati? Why are they secret? What is it that they don't want us to know? Why if they tell, can it be punish-able by death?

I can go on and on. You think I'm being too suspicious? Am I just another crazy conspiracy theorist? No matter what you believe about me, I invite you to join me as I dig this thing up to the surface to expose the purpose and long-term goals of these secret societies. I will do this in Jesus' name, according to His Word in Ephesians 5:11. "Have nothing to do with the fruitless deeds of darkness but rather expose them." God's Word tells us that evil loves to operate in darkness, it hates the light. Secrets are always kept in darkness.

And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil.
John 3:19

Disclaimer:

Before we get into this, let me explain why I'm addressing this topic. First, let me tell you that I know many good hearted, loving individuals who are members of Greek Letter Organizations. Most of them have no idea of the diabolical, cultic roots behind their organization's religious Greek Polytheism beliefs, which are rooted in ancient Babylon. Yes, there is an actual religion called Greek Polytheism, whose roots go back to 750 B.C., meaning it pays homage and admi-

GREEK LETTER EXPOSED

ation to pagan gods and goddesses which God truly forbids. In Exodus 20:3, God states “Thou shalt have no other gods before me.”

It is a fact that each Greek sorority and fraternity select a deity or deities to pay homage to, and then form a family under these false gods, commonly known as a brotherhood and sisterhood, which I will go into later.

I will explain how the GLOs fall into the same network as the Freemasons, Eastern Stars, Elks, Rosicrucian, Shriners, and many other secret societal organizations, which derived from the ancient mystery schools of Egypt and Babylon. This network was formed to build and orchestrate the antichrist's New World Order.

God has moved upon my heart to expose this deceptive doctrine of demons, which has bound and cursed humanity for literally thousands of years, which we can even read about in the Old Testament. In the Old Testament we see Israelites, while in and out of captivity of Babylon, Egypt and Syria, practicing their captors' pagan religious beliefs and worshiping their deities, which were the same deities of the GLOs. This angered God, so He appointed judges, prophets and kings to warn the people to put a cease to these pagan practices.

As recorded throughout the centuries, they would eventually stop and repent and God would deliver them, but they would continue on after God delivered them. History repeats itself; we see the same thing going on today. Christian church goes claiming to be Christians, however repeating the same sins as the ancient Israelites and pagan nations.

God tells us in Ephesians 5:11, to have nothing to do with fruitless deeds of evilness, but rather to expose it. To expose the truth behind it, because God's Word says, “The truth shall make us free.”

CHAPTER 2: BAITING & RECRUITING STRATEGIES

Let's discuss the modern day attraction to these GLOs and secret societies and how many churchgoers justify being involved in these pagan organizations.

The common answer I often get from churchgoing GLO members is that they do a lot of charitable acts and community service. This is often very true and as I stated earlier, there are a lot of good hearted and loving individuals who join because of this. Charitable acts and sacrificial community service, however, do not make disobedience to God acceptable. 1 Samuel 15:22 states: "Does the LORD delight as much in burnt offerings and sacrifices as in obeying the LORD? Surely, to obey is better than sacrifice, to pay attention is better than the fat of rams.

Proverbs 15:8 states: The sacrifice of the wicked is an abomination to the LORD: but the prayer of the upright is His delight.

Satan's mode of operation is to utilize good public relations to promote his organizations. For example here are some other organizations that do charitable works and community service:

LGBT

Atheist

Wicca (witches)

Islam

GREEK LETTER EXPOSED

New World Order Committee

Let's discuss another reason why many people join Greek Letter Organizations-- for the camaraderie (i.e., a sense of belonging, an extended, close knit family) and a sense of purpose. Satan knows that these are the elements often missing in many people's lives.

Family tradition is a big draw. Unfortunately, the pride of family legacy in these groups ignorantly blinds many from the depraved underlying truth of their ancient roots. They are proud of all the exterior benefits of their GLO membership such as the prestigious network, pride of membership, portfolio of former and present disguised and famous members, the brotherhood and sisterhood of the Greek family union (pride of saying someone famous is their brother or sister), and the popularity and respect from their peers and others whom hold Greek Letter Organizations and secret societies in high status.

Another big reason is career and professional advancement through a lucrative and prestigious network within the network. A lucrative and prestigious network is a key ingredient to financial success as it was when the original Greek sororities and fraternities formed around 750 BC. These cult members believed that being initiated (hazed) into the cult and following the rituals and abiding by the oaths would give them divine favor with the gods or goddesses along with gaining them favor with prestigious members, who became their brothers and sisters within their cultic family network. Thousands of years later, nothing has changed.

This is often a major incentive for those whom I have personally talked with. In their Greek letter network of their brotherhood and sisterhood you also have the extended family of: Freemasons, Elks, Shriners, etc. If you do your research, you will find many (not all) of the senior executives, administrators, presidents, chairmen of prestigious and wealthy companies, organizations, learning institutions, hospitals, entertainment, banks and high-level politics, and government depart-

GREEK LETTER EXPOSED

ments are high-level members of these Greek Letter Organizations.

A little side note-- 25 out of the last 45 serving U.S. Presidents have been confirmed Freemasons. The others are merely not confirmed. Some of the serving U.S. Presidents were members of various other "clubs" (secret societies). (Source: forum.davidicke.com)

Members in good standing obtain special favors for jobs, loans, grants, contracts, and pardons which give them an unfair advantage over competitors outside of the secret organization network.

Satan's objective is to detract humanity's dependence away from God and onto him. He does this by providing lucrative and attractive perks for membership into his various cults.

Another coveted reason is secret knowledge/enlightenment. The secret knowledge which is revealed is derived from the ancient mystery schools of Egypt and Babylon. However lower-level members, such as the college fraternities and sororities receive very little gnostic knowledge. The college GLO is basically the training ground or farm league for the secret societies. The higher level cults such as the Freemasons, Eastern Stars, Elks, Shriners and others, use the college GLOs as an applicant pool, to draw from.

Many of the youth are drawn in due to the fact that GLOs are trendy and popular.

Hollywood has played a major role in glamorizing the culture of Greek Letter Organizations through movies such as *Animal House*, *School Daze* and *Stomp The Yard*.

The New World Order Committee utilizes movies as a public relations campaign for recruitment. Again, the majority of the entertainment

GREEK LETTER EXPOSED

New World Order Committee

industry is owned and operated by members of these secret societies.

Did you know Universal Music Group, owned by Comcast, was formally owned by Decca Records from England, which is one of the main hubs of the Illuminati? They started their mission in America at the Knights of Pythia headquarters in New York City in 1939. Knights of Pythia is just another extension of the Babylonian and Egyptian mystery schools, which are a denomination of the Freemasons. Many members of the Knights of Pythia were Freemasons. Interestingly enough, Justus H. Rathbone was the founder of the organization in 1864 in Washington D.C.. Rathbone was a music composer and actor. Some of organization's most notable members were:

Nelson A. Rockefeller, U.S. Vice President

Warren G. Harding, U.S. President

William McKinley, U.S. President

Franklin D. Roosevelt, U.S. President

Hugo Black, U.S. Supreme Court Justice

Benjamin Cardozo, U.S. Supreme Court Justice

Louis Armstrong, Jazz Musician and Actor

Sun Ra, Jazz Musician

Hubert Horatio Humphrey, U.S. Vice President

The plan of the Illuminati is to utilize music to control behavior and

GREEK LETTER EXPOSED

New World Order Committee

beliefs. This is explained in detail in my video, "The Powerful Influence of Music."

Illuminati Goal #24. Infiltrate into all classes and levels of society and government for the purpose of fooling, bemusing and corrupting the youthful members of society by teaching them theories and principles that we know to be false.

Psalms 1:1: 1 Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful.

As we can comprehend from God's Word, God is not pleased because community service is getting done, or academic and career advancements, neither the prestige of our social network nor that national leadership encourages church attendance. Bottom line-- God wants our heart, which comes through our obedience, 1 Samuel 15:22.

Again, one must understand that the Greek sororities and fraternities are an actual ancient religion called Greek Polytheism. This religion was formed approximately around 750 BC, by the ancient Greek poet Homer. Through his mystic channeling of these writings, temples begin to be created and various cults (aka sorority/ fraternity) begun to form around the worship of these Olympian pagan gods and goddesses, which is taught in our schools as Greek mythology.

The cults would receive omens for rituals from the oracles, who were the priests or sorcerers. Rituals such as songs, symbols, dancing/stepping, oaths, orgies, cutting, branding, and tattooing (according to Robert Graves' book, *The Greek Myths*, tattooing was common amongst certain religious groups in the ancient Mediterranean world, which may have contributed to the prohibition of

GREEK LETTER EXPOSED

New World Order Committee

tattooing in Leviticus), human blood sacrifices etc., were a form of spiritual currency to obtain earthly treasure and favor from these demonic deities.

People would build altars and temples and create secret symbols and hand signs and other forms of communication unto the deity or deities ruling over their cult. Each cult had their own oaths, rituals, sacrifices and private initiation rituals. If a cult member were to leak out these private rituals, doing so could be punishable by death as it still is today.

Oracles were the mediums which would supposedly contact these spirits, to bring forth messages from their Greek deity. The oracles would utilize hallucinogenic drugs, or pharmikia, which they believed would open up the spirit realm and create a portal to their soul, which would allow them to channel the messages from these pagan deities (these were really demonic spirits).

Again, the objective was to appease the pagan gods or goddesses through the required rituals and sacrifices, in order to obtain the blessings. In today's modernized cults, such as the Greek Letter Organizations, Freemasons, Elks, Shriners, etc., the same ancient rituals and sacrifices are still taking place. They want the money and the power, and according to cult doctrine, the way to achieve money and power is to appease and sacrifice to these pagan deities. These are what the rituals are all about.

Here are some of the ancient rituals utilized by ancient cults, which we see going on today in these modern day Greek fraternities, sororities and amongst other secret societies:

Stepping (dancing rituals)

GREEK LETTER EXPOSED

New World Order Committee

Hazing (derives from the Book of the Dead-Hypnosis/Brainwashing Techniques to create alter egos)

Note: It was believed since ancient times, that intense tormenting pressure on the mind (soul), through mental, drugs, physical, or sexual torment, would cause the mind to shatter into individual compartments. Demonic spirits could then be summoned through the practitioner (sorcerer/shaman, witch) of the torturing, to assign spirits into the various compartments of the mind setting up alters, thus we have the world alter-ego, a dual personality. Once these demons have set up their alters within the mind (i.e. the soul), they then have influence over every component of the emotions and the will. These evil spirits' goal was to influence the mind, according to the doctrine and will of the pagan deity, which is always one in the same with Satan, their master.

The ultimate goal of the practitioner, was to not only shatter the mind into compartments, but also to create barriers or walls of amnesia around the multiple compartments. This would allow for the precise programming of multiple personalities within the individual, without the individual being aware of the other personalities. Thus we have schizophrenia; meaning the practitioner could program an alter of the mind to kill through a trigger word, symbol or command, which the person would kill, and then come out of that mindset through a trigger, without them even realizing what they had done.

This is what our U.S. government started using in the 1940s on civilians and military personnel and CIA candidates. It was code named "Operation Paperclip." These mad scientists, which were brought over from Germany, utilized hypnosis, drugs and torture, which later became known as MK Ultra and Monarch programming.

GREEK LETTER EXPOSED

New World Order Committee

Here are some MK Ultra/Monarch mind control techniques, which have been embedded into the GLO and secret society culture:

Branding/Tattooing

Oaths to the pagan gods and goddesses

Heavy drinking parties

Sexual promiscuity/Abuse

Symbolism (Sigil Magick)

Hand Signs

Dancing

In Exodus 32:19 the children of Israel danced around the golden calf as Moses was away speaking with God, and in I Kings 18:26 the prophets of idol god Baal danced, chanted, and marked themselves around an altar to try to prove their god was stronger than the Lord. Corrupt kings in the Old Testament, such as Nebuchadnezzar, would force people to pledge their allegiance to the idol god that the king set up for himself (Daniel 3). Hmmm... sounds familiar?

Secret Candle rituals, where spirits are invoked and praised (sorcery)

Sacrifices (which we will get into later)

We see that our modern day streets gangs and mafias utilize the same mode of operation.

CHAPTER 3: THE ORIGIN OF PAGAN GODS AND RITUALS

The modern day Greek fraternities and sororities pattern themselves after the cults of Greek, Egyptian and Babylonian civilizations (this also includes the Freemasons, Rosicrucian, Elks, Shriners, and more). It's important to understand that the Greek Olympian host of pagan gods and goddesses derived from Babylon, which is the mother capitol of all world cults. Today, college campuses have become the new cultic breeding grounds.

After the mass exodus from Babylon, caused by humanity's rebellion in attempting to build the Tower of Babel, the Tower of Babel was to be utilized as a portal or star-gate to the demonic realm. As people left Babylon, humanity took their witchcraft, divination, sorcery, black magic, and their pagan deities, along with their statues, symbols, charms, ritual dances, mantras, music, incense, yoga, etc., with them to their various destinations of the earth, which at the time was one continent. In time, God would divide the earth into seven continents (Genesis 10:25).

The people then adapted and modified these Babylonian gods and doctrine to fit into their culture and language. Here is the progression of how these deities traveled from Babylon:

Babylon (after the Tower of Babel, when humans were scattered throughout the world). It went throughout every country after the earth plates broke apart, according to Genesis 10:25. The unofficial capital continued to the following empires:

Persia

Greece

Rome

United States

GREEK LETTER EXPOSED

New World Order Committee

Through cultural division, the Babylonian belief system gradually blended and mixed into various cultures, each culture began to do their own personal modifications. For example: Baal became known as Zeus (Babylon); Jupiter (Greek); Minerva became known as (Roman) - Athena (Greek); Horus became known as Lucifer-Prometheus, lightbearer; Baphomet-Pan; and Kronos who was the Father of Zeus- Moloch.

Cults, being a secret society and religion, thrive off this type of confusion. Creating confusion to the outside world and to the lower ranks of the cult, helps to keep gnostic knowledge secret. Cults pride themselves in hiding secrets in plain sight, or having numerous meanings behind a word, name, oath, or symbol.

You see, unlike publicized religions or beliefs which carry their doctrine in books such as the Holy Bible, Koran or Torah, the Greek cult doctrines and rituals are kept secret through sworn ritual oaths, which again, can be punishable even by death.

Greek mythology became mainstream in Greek society about 750 BC. The ancient poet Homer was said to be the first oracle to channel and document the stories of Greek mythology. It became a mainstream religion, which was sectioned off into various cults, based on the pagan gods or goddesses the individuals chose to pay homage to, as replicated in modern day sororities and fraternities.

Each deity had a cult and sacred ritual, which required initiations of hazing, like the hazing done today on college campuses for entry into the Greek Letter Organizations, which I will go into later.

It is documented that the oracles or Greek priests and priestesses would take hallucinogenic drugs in order to channel the spirits

GREEK LETTER EXPOSED

New World Order Committee

through them to bring forth the messages and instructions for the sacred rituals.

These Olympian pagan deities and demigods (half pagan god and have mortal), according to the sacred writings, were often a balance of evil and good. There was a constant theme of war and sexual conquests. Sexual conquests of adultery, rape, homosexuality, lesbianism, incest, pedophilia, etc. Zeus, the king of the pagan gods, was said to have a jar of evil and good, which he poured into humanity, thus came the theology of yin and yang, aka Taoism.

As the ancient cults did thousands of years ago, the modern-day Greek Letter Organizations are still performing sacrificial dancing, chanting, hazing, using pagan magical symbols, hand signs, and candle rituals to display admiration and honor to these Greek gods and goddesses under a secret brotherhood and sisterhood.

These Greek cult rituals in ancient times would utilize drugs, alcohol, sex, and even human sacrifice as sorcery to channel oracles and earthly blessings from the pagan Greek deities. Today, many Greek Letter Organizations are known throughout college campuses for their wild parties highlighted by excessive alcohol, drugs and deviant sexual behavior. These acts were carried in the Greek temples, such as in the temple or pantheon of Dionysus, the pagan god of ecstasy and unbridled passion. Worshipers were involved in bisexual orgies, drugs, alcohol, human sacrifices, and even cannibalism. Music and dancing were also a part of these rituals.

At the Minerva/Athena temple, human sacrifices of female virgins were conducted by having the virgins run in a circle three times before they were sacrificed.

GREEK LETTER EXPOSED

Kronos/Moloch (Zeus' Father)- Blood sacrifices of children cast alive in fire were offered to this pagan deity. We can read about this in the Holy Bible:

Molech (16 Occurrences)--

Acts 7:43 and ye took up the tabernacle of Moloch, and the star of your god Remphan -- the figures that ye made to bow before them, and I will remove your dwelling beyond Babylon.

Leviticus 18:21 You shall not give any of your children to sacrifice to Molech; neither shall you profane the name of your God: I am Yahweh.

Leviticus 20:2 Moreover, you shall tell the children of Israel, "Anyone of the children of Israel, or of the strangers who live as foreigners in Israel, who gives any of his seed to Molech; he shall surely be put to death. The people of the land shall stone him with stones."

Leviticus 20:3 I also will set my face against that person, and will cut him off from among his people because he has given of his seed to Molech, to defile my sanctuary, and to profane my holy name.

Leviticus 20:4 If the people of the land all hide their eyes from that person, when he gives of his seed to Molech, and don't put him to death;

Leviticus 20:5 then I will set my face against that man, and against his family, and will cut him off, and all who play the prostitute after him, to play the prostitute with Molech, from among their people.

1 Kings 11:33 because that they have forsaken me, and have worshiped Ashtoreth the goddess of the Sidonians, Chemosh the god of Moab, and Milcom the god of the children of Ammon. They have not walked in my ways, to do that which is right in my eyes, and to keep my statutes and my ordinances, as David his father did.

2 Kings 23:10 He defiled Topheth, which is in the valley of the children of Hinnom, that no man might make his son or his daughter to pass through the fire to Molech.

2 Kings 23:13 The high places that were before Jerusalem, which were on the right hand of the mountain of corruption, which Solomon the king of Israel had built for Ashtoreth the abomination of the Sidonians, and for Chemosh the abomination of Moab, and for Milcom the abomination of the children of Ammon, did the king defile.

Isaiah 57:9 And you went to Melech with oil and much perfume, and you sent your representatives far off, and went as low as the underworld.

Jeremiah 32:35 They built the high places of Baal, which are in the valley of the son of Hinnom, to cause their sons and their daughters to pass through the fire to Molech; which I didn't command them, neither did it come into my mind, that they should do this abomination, to cause Judah to sin.

Jeremiah 49:1 Of the children of Ammon. Thus says Yahweh: Has Israel no sons? Has he no heir? Why then does Malcam possess Gad, and his people well in its cities?

Deception of initiates and lower ranking members is admitted by leadership. Albert Pike, a 33rd Degree Freemason, who wrote *Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry*, which is considered to be one of the most highly respected textbooks of the Freemasons, conveys in his writings:

"Part of the symbols are displayed there to the initiate, but he is intentionally misled by false interpretations. It is not intended that he shall understand them, but it is intended that he shall imagine he understands them." (*Morals and Dogma*, p. 819)

"Masonry, like all the Religions, all the Mysteries, Hermeticism, and Alchemy, conceals its secrets from all except the Adepts and Sages, or the Elect, and uses false explanations and misinterpretations of its symbols to mislead those who deserve only to be misled; to conceal the Truth, which it calls light, and draw them away from it." (*Morals and Dogma*, p. 104-105)

Pike completes his instructions to intentionally mislead those members of the visible society, by saying, "So Masonry jealously conceals

GREEK LETTER EXPOSED

its secrets and intentionally leads conceited interpreters astray." [Ibid., p. 105]

The gnostic or secret esoteric knowledge of the mystery schools is kept at a very minimum at the Greek college chapters and lower levels of Greek societies.

It should be noted that the Greek Olympian story of creation is contrary to the Holy Bible's story. In actuality, the Greek versions, which came from various oracles, are often similar, yet contrary to one another. Each cult would basically choose which oracle to believe and follow. This is confusing. The Bible states in 1 Corinthians 14:33, that God is not the author of confusion. Thus, Satan which is the opposite of God, is the author of confusion.

In one Greek version, creation started with a spirit called Chaos (empty) then Chaos brought forth Gaia "mother earth" and her husband Uranus the "sky god." From them, all the other Olympian gods and goddesses were birthed from.

Question...So how is it that many self-proclaimed believing Christians who are involved in these Greek Letter Organizations and go through ritual oaths of initiations to these pagan gods and goddesses justify belonging to a cult which not only denies the Holy Bible's version of creation but removes the Heavenly Father and His son Jesus Christ out of the entire creation equation?

Secret societies are a very sensitive topic in Christian churches and for the most part it is not addressed. It has been my experience not only as a photojournalist, but as a Christian minister, that this is the case due to many members and even church staff being members in these Greek Letter Organizations and secret societies.

GREEK LETTER EXPOSED

New World Order Committee

Many churches fear to address this issue for fear of offending and losing church members and tithes as validated in the Barna Poll. These Greek letter members are often middle to high income and active, charitable, high profile members in their communities, meaning they give a significant part of the tithes and offering to the church. Many pastors don't want to give a message to offend them due to this reason. Pastors who refuse to speak the truth will be punished by God severely for not doing so.

John 8:32 says, "The Truth shall make you Free."

Matthew 6:24 says, 24) No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon. (KJV)

2 Corinthians 6:14-15 says, 14 Do not be unequally yoked together with unbelievers. For what fellowship has righteousness with lawlessness? And what communion has light with darkness? 15 And what accord has Christ with Belial? Or what part has a believer with an unbeliever? (NKJV)

What we see going on with the escalation on ancient pagan worship is the last days prophecy:

1 Timothy 4:1 King James Version (KJV): 4 Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils;

GLOs conceal their rituals and objectives from the masses. This is not the nature of Christ. Secret rituals and doctrine are not the nature of Christ.

Everyone has access to the Bible. It's public for everyone. It's even in hotel rooms.

Matthew 5:15 (Secrecy): Neither do men light a candle, and put it under a bushel, but on a candlestick; and it giveth light unto all that are in the house.

John 18:20 (Jesus said nothing in secret): Jesus answered him, I spake openly to the world; I ever taught in the synagogue, and in the temple, whither the Jews always resort; and in secret have I said nothing.

Matthew 10:27: What I tell you in darkness, that speak ye in light: and what ye hear in the ear, that preach ye upon the housetops.

2 Corinthians 4:2: But have renounced the hidden things of dishonesty, not walking in craftiness, nor handling the word of God deceitfully; but by the manifestation of the truth commending ourselves to every man's conscience in the sight of God.

All through the Old Testament and the New, we see God punishing Israel and other nations for giving admiration, worship and sacrifice to pagan gods. Why? Because it was witchcraft, sorcery and black magic. Who were these pagan deities? The same false gods and goddesses that our modern day fraternities and sororities give admiration, worship and sacrifices to; it's the same religion. Again, all these deities came via Babylon.

Listen to God pleading with Israel to turn from these false gods, because His desire was truly to bless them and not to curse them:

Psalms 81: 8-16

8 Hear, O my people, and I will testify unto thee: O Israel, if thou wilt hearken unto me;

9 There shall no strange god be in thee; neither shalt thou worship any strange god.

10 I am the Lord thy God, which brought thee out of the land of Egypt: open thy mouth wide, and I will fill it.

11 But my people would not hearken to my voice, and Israel would none of me.

12 So I gave them up unto their own hearts' lust: and they walked in their own counsels.

13 Oh that my people had hearkened unto me, and Israel had walked in my ways!

14 I should soon have subdued their enemies, and turned my hand against their adversaries.

15 The haters of the Lord should have submitted themselves unto him: but their time should have endured forever.

16 He should have fed them also with the finest of the wheat: and with honey out of the rock should I have satisfied thee.

Yet many self-proclaimed Christians in these organization claim they are still in God's Will, though they blatantly honor these false gods in their oaths, memorabilia, stepping, branding, tattooing, and strange piercings. They have formed new families within the brotherhood and sisterhood under these false gods, which basically conveys that the god or goddess is the father or mother of them. They are attempting to serve two masters.

No man can serve two masters, for either he will hate the one, and love the other, or he will hold to the one, and despise the other. You cannot serve God and mammon.

An initiation into a GLO, or a secret society such as the Freemasons, is an initiation into the Kingdom of Darkness.

They have made themselves to believe a lie that God's commandments against honoring other gods, was for only that time. Where does that theology come from? The Word of God states,"

Malachi 3:6: For I am the LORD, I do not change; Therefore you are not consumed, O sons of Jacob.

Hebrews 13:8: Jesus Christ is the same yesterday, today, and forever.

Here are some powerful excerpts from writer Jordan Rice, from his article, "Can You Be A Christian and Greek? An In-Depth Analysis of Black Greek Letter Organizations"-- JordanLRice@yahoo.com © 2006

Rice brings out some valid points:

May your light so shine in the community that the name of Delta Sigma Theta will ever BE GLORIFIED." But Jesus said in Matthew 5:16, "Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven." Here we have an apparent contradiction to the Bible. Is this Christian based, even though it goes directly against what Jesus said?

Equally disconcerting is the recitation done in the closing of chapter meetings. Page 8 of the ritual book contains the Delta Mizpah which states "Dear Sorors, now we must depart, join hands in Delta's chain. Let us be loyal, faithful, true in heart, and HONOR DELTA'S PRECIOUS NAME. AMEN." Does this sound like something Jesus and His disciples would be saying? Christ was concerned with bringing glory to the father, and He taught His disciples the same way.

Their (the pledges to the fraternity) implicit confidence in Omega...You will now await the pleasure of Omega before whom I shall lay your petition...Let them give listening ears to all that may be said and done and seal within their bosom THE SACREDNESS OF THE TEMPLE OF OMEGA."

First of all, Omega is a she (page 21 of the ritual book) so we know this is NOT talking about God. Secondly, are Christians following Christ by entering the sacredness of the Temple of Omega? On page 20, the pledges come to "Omega to swear allegiance to HER cause..." and to "dedicate their lives to the service of Omega". This has nothing to do with the gospel of Jesus Christ, and is not Christian at all. Also, are we to await the pleasure of Omega before whom they shall lay your petition? The Bible says in Philippians 4:6 "In everything by prayer and PETITION, with thanksgiving, PRESENT YOUR REQUESTS TO GOD." Not to Omega or anything else.

Like the Alphas, the organization of Omega Psi Phi states that it is the light of the world. The Greek Letter Organizations (GLOs) are also associated with the all-seeing-eye, the eye of Horus, etc. (remember, they are all interconnected). Phi Beta Sigma has even given the pagan god Horus of Babylon the honor of being their spiritual mentor. Horus is the Sun god or Morning Star, aka the “Lightbearer,” which means “Lucifer” in Latin. Think about that. Remember, the Holy Bible says, in 2 Corinthians 11:14:

And no marvel; for Satan himself is transformed into an angel of light.

Again, “Lightbearer,” translates to “Lucifer” in Latin. The Bible says, in Hosea 4:6, My people perish for a lack of knowledge. Millions are paying homage to Lucifer through these secret societies and don’t even know it.

Let’s now explore the deep-rooted history and truth behind GLOs and how for thousands of years they have been able to attract, program and deploy humanity through ancient witchcraft methods such as hazing and symbols to get them to override their core values and conscience to submit and pay homage to the Greek letter culture of pagan gods and goddesses, whose leader is Satan.

Let’s get into it:

In 1776 Adam Weishaupt, a Freemason, created the Illuminati to

GREEK LETTER EXPOSED

orchestrate the blueprint for the New World Order. The Illuminati would be an elite committee of members from a diverse pool of secret societies of those whom embraced the Kabbalah doctrine from the mystery schools of Babylon and Egypt. The same year, a Freemason would start Phi Beta Kappa, which would be the first Greek college organization.

These secret societies were created to take the ancient secret knowledge for the purpose of networking with other secret societies, for the purpose of constructing the New World Order or the AntiChrist kingdom. The United States dollar bill has printed on it, the phrase “Novus ordo seclorum” which is Latin for “New order of the ages.” Again, the occult hides things in plain sight.

The pagan Greeks gods and goddesses play a huge role within the secret societies. They are believed to be the spirit guides and carriers of the forbidden secret knowledge. Their powers are summoned through various secret rituals. These Greek deities are referred to as the Olympians. These Olympians are fallen angels and Nephilim (offspring of the fallen angels through human women, Genesis 6) which came from heaven and lusted and mated with human women against God’s commandments. The Holy Bible records this event in Genesis 6:4: There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.

Interestingly enough, these stories of fallen angels mating with earthly women are documented by cultures worldwide, such as the Native Americans, Africans, Asians, Russians, and so on.

The God of the Holy Bible sent his angels down to teach and watch over man, however a third of them under Lucifer’s persuasion left their

GREEK LETTER EXPOSED

post to worship and submit to him. Many went to have sex with earthly women and create a hybrid creation called Nephilim, which became the giants and titans, who demanded to be worshipped as gods among mankind. These Nephilim, their fathers being fallen angels, taught the people false doctrine, referred to in scripture as the “doctrine of devils.”

1 Timothy 4:1 King James Version (KJV): 4 Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils;

Satan, whom Jesus referred to as “the father of lies,” created many versions of theological lies and stories of creation and blasphemous stories of the heavenly host, which were distributed or marketed by the fallen angels and Nephilim around the world, after the first fall of Babylon’s New World Order empire. This is why Jesus is referred to as the “Truth,” in John 14:6.

Greek mythology tells us that Zeus, the king of the Olympian gods, was the first son of “mother earth”—Gaia. The word “gay,” which comes from the homosexual community has its roots in the ancient homosexual ritual of worship to the goddess Gaia for the purpose of fertility and to obtain blessings over their crops and livestock.

It should also be noted that Zeus, in the Hebrew culture was known as the pagan god Baal, which was an abomination to the one true God of the Holy Bible.

The Canaanites worshiped Baal as the sun god and as the storm god—he is usually depicted holding a lightning bolt (Zeus’ weapon in Greek mythology was the lightning bolt)—who defeated enemies and produced crops. They also worshiped him as a fertility god who pro-

vided children.

Baal worship involved sexual ritualistic prostitution in the temples. At times, pleasing Baal required human sacrifices, often the firstborn of the one orchestrating the sacrifice (Jeremiah 19:5). The priests of Baal appealed to their god in rituals in the wild which included loud, ecstatic cries and self-inflicted injury (1 Kings 18:28).

Zeus not only had a sexual lust for earthly women but also for young boys. Ganymede is the young boy that became one of Zeus' lovers, or victims we should really say. One version of the myth says that Zeus fell in love with Ganymede when he spotted him herding his flock on Mount Ida. Zeus then came down in the form of an eagle or sent an eagle to carry Ganymede to Mount Olympus where Ganymede became cupbearer to the gods. Some sources say that Zeus' affair with Ganymede was a (religious) justification for homosexuality within the Greek culture, yet others argue that this was just a reflection of Greek culture at that time. Rape, incest, pedophilia, lesbianism and homosexuality are a common theme among the Olympian host of gods and goddesses. Zeus, or Baal, is also connected to the root of the word "lesbian." Legend has it that Zeus visited the island of Lesbos and cursed the island after a lesbian resisted his advances.

After 40 years passed, legend has it, that Zeus finally broke the spell he put on the island. Once explorers stepped ashore after a long absence, visitors to the island were appalled to see the changes that had taken shape over the last 40 years. There was not one single sexually mature man left on Lesbos; the island was populated by females sexually involved with other females, thus came the word "lesbian."

The gods and goddesses of Greek mythology had a massive influence on the sexual perverse society we have today; it's the party culture of the college Greek-letter fraternities and sororities.

The world "Olympics" and our government buildings pay homage to these Olympian deities. The Latin word "Lucifer" is Phosphorus (Light-Bearer) in Greek mythology. He is known as the Morning Star. He represents the appearance of the planet Venus (female side of Lucifer/Satan, this is the New-Age bisexual theory and agenda). Venus is the brightest object in the sky after the sun and the moon, outshining the planets Saturn and Jupiter, but while these rise high in the sky, Venus never does. This may lie behind myths about deities associated with the morning star proudly striving for the highest place among the gods and being cast down.

Lucifer, (Latin: Lightbearer) Greek Phosphorus, or Eosphoros, in classical mythology, the morning star (i.e., the planet Venus at dawn); personified as a male figure bearing a torch, Lucifer had almost no legend, but in poetry, he was often heralded of the dawn. In Christian times Lucifer came to be regarded as the name of Satan before his fall.

Satan is the author of confusion, so there are multiple versions and translations of Greek mythology. In another popular version, Lucifer is the Greek god Prometheus, who stole fire from the Olympian gods and gave it to humanity, to enlighten or illuminate them. He was in turn punished by Zeus for doing so and was chained to a rock, where Zeus would shape shift into an eagle and eat his liver, yet Prometheus' liver would regenerate every night, to be eaten the next day by Zeus.

Prometheus, or Lucifer, was later saved by Zeus' son Hercules. In today's culture, Hercules is glamorized to our children and in our entertainment industry as a superhero. Hercules a legendary hero? The one who set Lucifer free so man could be illuminated with satanic doctrine? This illumination of Prometheus is often symbolized as a torch of fire. One obtains illumination through the gnostic knowledge of Prometheus, or Lucifer. This representation is displayed in the statue of liberty, which is the Babylonian goddess Isis, the mother of Babylon and Horus' (All-Seeing-Eye aka Lucifer "Light-Bearer") mother.

Greek mythology is Satan's plot to take the glory from Jesus Christ/Yeshua Hamashia, the true Savior and God, and give it unto himself. The gnostic light is the false light. Scripture tells us that Satan transforms himself into an angel of light:

And no marvel; for Satan himself is transformed into an angel of light.

The college Greek organizations are utilized by the New World Order network to search for prospects among the academic elite to recruit for their global domination committee, in which the antichrist will be the totalitarian ruler as prophesied in scripture (Revelations 13:1-18).

The Jewish Kabbalah religion, in which Freemasonry is rooted, was influenced by the Babylonian Mystery religion and it originated as oral teachings during the Babylonian Captivity of the Jews.

33rd Degree Freemason Albert Pike and other Masonic leaders acknowledge their debt to the Kabbalah in his book, *Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry*. In it Pike states: "Every lodge is a temple of religion and its teaching instruction in religion... Masonry is the successor to the Mysteries."

In his 1871 book, Pike says of the Jewish Pharisee tradition: "The primary tradition... has been preserved under the name of the Kabbalah by the priesthood of Israel."

CHAPTER 5-DEMONIC RITUALS & MANIFESTATIONS

As a Christian Deliverance Minister who casts out evil spirits through the powerful name of Jesus Christ/Yeshua Hamashia, I have had numerous encounters with individuals who have been in Greek Letter Organizations and other secret societies or have been from a generational line of membership to these occult groups.

I often get the argument, “a Christian can’t be possessed by an evil spirit.” Before I address this, let me explain something. One must understand that a human is spirit, soul and body. When a person is born again by accepting Jesus Christ as their personal Lord and Savior, their spirit which was sin and death dies and is buried, and then Christ’s spirit, which is life, comes in to take its place. This is the mechanics-- the spirit influences the soul; the soul, being the mind, emotions and will, is driven by the will, then navigates the body. So when the spirit is sin/death within an individual, which is under the influence of the kingdom of Satan, it influences the soul to be sinful, by first sending thoughts to the mind, which the bible calls fiery darts (Ephesians), which influences one’s emotions, cultivating desires which can turn to obsessions, which drives the soul’s will to navigate the body to do sin.

At the other end of the spectrum, when an individual has the spirit of Christ, the spirit influences the soul; by influencing the mind, with the Word of God, which is one with Christ, which then influences the emotions, which cultivates desires and a passion for the body to drive the soul’s will to do the will of Christ. This is why Christians are called the Body of Christ.

Now back to the argument at hand, can a Christian be possessed by

GREEK LETTER EXPOSED

New World Order Committee

an evil spirit? The answer is the Christian spirit cannot be possessed by an evil spirit because Christ is the spirit and a demon can't possess Christ. However, the soul, which is the mind, emotions and will can be possessed, because an individual by their own free will, which comes from the component of the soul can allow sinful petitions and even entry from evil spirits, again by their own will.

So how can demon spirits obtain entry? Through sorcery which is witchcraft. What is sorcery? It is the communication and interaction with evil spirits. Many are surprised what sorcery is...Hosea 4:6 "My people perish for a lack of knowledge." Most grew up picturing that sorcery and witchcraft as an old witch brewing an incarnation in a big pot with fire beneath. When in actuality sorcery is the following and more:

Drugs/Alcohol- The word pharmacy comes from the Greek word "pharmikia," which means "sorcery." There is a reason alcohol is also referred to as "spirits."

Tattooing/Branding- Leviticus 18:21, going back to ancient Babylon drawing and symbols on the body were utilized to open portals to the soul, to summon spirits.

Astrology

Yoga

Horoscopes

Oaths to pagan gods and goddesses

Dancing/Stepping

GREEK LETTER EXPOSED

New World Order Committee

Fornication/ promiscuous sexual encounters/ sex outside of the marriage covenant

This is why the Holy Bible tells us don't give place to the devil (Ephesians 4:26) and to not grieve the Holy Spirit. In other words when you replace the influence of the Holy Spirit on the soul with a contrary evil spirit, it grieves the Holy Spirit, because the perfect will of Christ can't be done in disobedience.

As you can see, the above list is common practice in one way or another in Greek Letter Organizations. GLOs are stewed in sorcery. It is impossible to separate GLO membership from sorcery.

When I have called out the ancient demonic spirits behind the various sororities, fraternities among other cult societies to manifest (for spirits to come out of hiding) in Jesus' name they often come out in a theatrical fashion such as screaming, vomiting, eyes rolling back with no pupils showing, coughing, yawning, etc....

Note: The word "spirit" in Latin means "breath." So this means spirits discharge out of the soul and body through coughing, yawning, screaming, mucus, and even farting.

For example, I have called out the spirit of Isis and Minerva to manifest. These two demonic spirits are associated with the sorority of Eastern Star and Delta Sigma Theta. During the prayer, I have experienced individuals contorting their bodies impulsively and sporadically in different directions, fall to the floor and began slithering around like a serpent. I've also seen people's arms and feet simulating ancient Egyptian style dancing while in a trance type state. In some episodes, there have been evil spirits speaking out through the person.

GREEK LETTER EXPOSED

New World Order Committee

Ancient spirits are real and they enter members through spiritual legalities (sin) such as rituals, oaths, branding, tattooing, stepping, hazing, etc. Once spirits enter, they bring forth generation curses, which are assignments under a contracted agreement for demons to perform.

Many perceive these GLO activities or rituals as just harmless college fun and traditions when in actuality, these are ancient black magic rituals to ancient deities. Here are some false deities that are paid homage to by some GLOs:

Sigma Pi Phi represents a Griffin (Sphinx) - god

Alpha Phi Alpha represents Osiris/Ra - god

Alpha Kappa Alpha represents Nefertiti/Qetesh - goddess

Kappa Alpha Psi represents Apollos/Thorth - god

Omega Psi Phi represents Anibus/Genii - god

Delta Sigma Theta represents Isis/Athena/Minerva - goddesses

Phi Beta Sigma represents Horus - god

Zeta Phi Beta represents Bastet - goddess

Sigma Gamma Rho represents Maat - goddess

Iota Phi Theta represents Min - god

These rituals were literally utilized in ancient times to be inhabited and possessed by the ancient spirits.

So how will we know what a true Christian is according to God's Word, the Holy Bible? The Holy Bible says we will know them by their fruits (Matthew 7:16), meaning their behaviors and actions.

Jesus said, "Those who love me, do what I say." John 14:23

Therefore if the spirit of Christ-Life is within the individual, then it will

influence the soul to do what the body of Christ did over 2,000 years ago, which was: Preach the Gospel “Good News” of Salvation (through repenting), feed and clothe the poor, pray for the sick, cast out demons, and abide by the commandments of the Holy Bible.

The contrary is one living with the spirit of sin (death), in which the spirit influences the soul to do what Satan’s will is, which is: rebel against god, pay homage to other gods, sexual promiscuity, heavy drinking, etc.

What the Bible says....

Deuteronomy 18:10: Let no one be found among you who sacrifices their son or daughter in the fire, who practices divination or sorcery, interprets omens, engages in witchcraft,

Why Greek? Let’s now address the question, why Greek? Why do individuals in these secret societies of other cultures and ethnicities prefer Greek, which is synonymous with Aryan over their own ethnicity, to the point where they call themselves Greek, even African Americans. Why not an African fraternity? Why not a Latino fraternity or an Asian one, I believe you get the point.

The Greek culture and its gnostic gospel subscribes to the Atlantis doctrine as do the Freemasons. In Atlantis theology, the Greeks, or Aryans, were the strongest race and were selected by the gods and goddesses to serve in the priesthood. They believed and took pride that they were the offspring of the Greek reptilian god Prometheus, aka Lucifer the Lightbearer.

dition. Adolf Hitler, who also subscribed to the gnostic Atlantis theology, believed that in order to rebuild the new Atlantis which they believed was destroyed due to humanity's rebellion to the Olympian deities, they must rebuild with a pure Greek/Aryan society. This was the Nazi's motive for "ethnic cleansing." Remember the Ku Klux Klan is a Greek organization, which was started by the 33rd Degree Freemason, Albert Pike. It was the Freemasons who started the Greek College Organizations. Though these Greek organizations are now multicultural worldwide, the truth is, their core doctrine, is built on Aryan/Greek supremacy.

Let me explain. Gnostic prophecies, also known as oracles, go all the way back to Queen Elizabeth's time. The Queen's personal sorcerer, John Dee, believed America to be the new Atlantis. In short, Atlantis was said to be a technologically advanced society which was ruled by Zeus and his Olympian host. It is said that the utopia was destroyed by an earthquake when mankind displeased the gods by utilizing magical power on each other. In this society, the Aryans, or Greeks, were chosen as the high priest to the gods and goddesses, which is why Hitler and many other white supremacists embraced the doctrine of the Aryan/Greek.

The Programming Of A Greek Letter Organization Member For The New World Order

These secret societies made up of the Freemasons, Eastern Stars, Elks, Greek fraternities and sororities, among others who follow the doctrine of the ancient Babylonian and Egypt mystery schools, are the backbone to the building of the New World Order, which is a plan for a one world government system, headed by the antichrist, in which Satan/Lucifer will be crowned as king until Christ comes back

GREEK LETTER EXPOSED

and dethrones him.

Secret societies are the modern day mystery schools. This is where the conditioning and training takes place in secret for the initiates. Secret societies are the antichrist's army; their lodges, fraternity and sorority houses and meeting places are the military bases.

Just like in the military's basic training, the mind must be broken down, so it can be rebuilt or reprogrammed for the task or mission at hand. Members are assessed by the higher ups and placed in various key positions to assist in constructing the New World Order. This is taking place simultaneously all around the world.

Again, the dark secret belief of the high level practitioners of this MK-Ultra/Monarch mind control, which has its origins in the ancient black magic writings of the Egyptian, Book of the Dead, is that during the programming when the mind is split or fractured into different compartments, known as alters, the belief is that a demon enters into the mind and takes jurisdiction of the newly created alter. Hazing is ancient cultic mind control.

During the hazing process an individual is programmed with a mystically deep and unquestionable loyalty to the Greek-rooted doctrine, which is Kabbalah based. During the hazing process, their moral conscious begins the process of being corrupted and hardened, which allows them to override any moral or biblical convictions. Hazing is basically bullying. What is bullying? Bullying can be both physical and psychological. The Ramapo Journal of Law and Society explains hazing as "... any activity, required implicitly or explicitly as a condition of initiation or continued membership in an organization, that may negatively impact the physical or psychological well-being."

GREEK LETTER EXPOSED

New World Order Committee

Social psychology says hazing produces cognitive dissonance, mental stress one experiences when dealing with two contradictory beliefs. Early social psychology says that pledges try to dispel that cognitive dissonance in two ways-- by convincing themselves that the hazing experience was not that unpleasant or exaggerating the positive characteristics of the group and minimizing the negative aspects. The more unpleasant the initiation is, the less the pledges convince themselves of the former, so they have to exaggerate the latter.

A 1959 psychology study found "People like the group they joined more if they did something embarrassing to get in." The study showed that undergraduates who went through hazing developed low-self esteem, relied significantly on peers (validation, opinions, support, etc.), and disliked being left alone.

In a nutshell, it's designed to wear individual identity down (creates new one) and strengthen bonds with group members. Studies have shown group Post Traumatic Stress (PTS) brings people closer together and convinces you that getting abused is fun.

Fraternities and sororities have been known for their wild drinking parties, where hazing often takes center stage. The heavy consumption of alcohol preps the initiate for the hazing ritual, by bringing down their mental guard and taking them into an intoxicated state, which opens up their subconscious mind (spirit) for programming, which is the practitioners or handler's objective. The infamous Satanist Aleister Crowley, once said a demon he summoned called Aiwass told him, "To worship me, take wine and strange drugs."

These steps are used, like the Monarch programming to split their identity, in which the initiate's second identity is born again, into a new Greek family and name.

Trigger words, symbols, songs, and stepping can manifest the alter Greek persona in an individual in a moment's notice through barking, meowing, stepping, yelling mantras, etc. This new Greek identity, with installed cabalistic beliefs, are prepped... again to be willing promoters and foot soldiers for the NWO agenda.

The goal of the programming is to wipe the mental template clean, in order for it to be receptive for New World Order (NWO) programming. They are often able to achieve this by creating a close and loving family atmosphere. This alone is very appealing to the masses, due to the steady escalation of the breakdown of the family world-wide, which was one of the Illuminati's 25 goals written down over 200 years ago.

The New World Order's belief is "chaos before order." basically what means is, create a problem that becomes unmanageable, then everyone will welcome a solution. Their solution will be the antichrist with his masonic one world government, which will be the New World Order. They also know, that mentally it's quite easy to leave a job versus a family. These organizations boast about how the many benefits that come with being in a Greek family such as camaraderie, support, friendship, wider career and business opportunities, due to it is a fact that the NWO/Illuminati strategically places their own in key positions, within the government, corporate and entertainment industry.

GREEK LETTER EXPOSED

New World Order Committee

This is why many are often very protective and defensive about their Greek membership and are unwilling to listen to biblical reasoning. Most know very little about the origins of Greek gnostic culture. They often justify their Greek organization's moral barometer by their organization's community service record. This is often the main hook for the Greek organization's recruitment, along with their alumni's stellar career and community service portfolio.

In summary, hazing was designed by Satan to split or disassociate a Christian from the mind of Christ. The hazing creates an additional alter in the mind, which is antichrist in nature. How does this happen? The hazing creates a spiritual legality (meaning they gain permission through sin--Ephesians 4:27) for a demon or demons to enter the mind to create this alter or even alters. The spiritual legality is created through the sin, of paying homage to the various false Greek gods and goddesses, through the praising of stepping, chanting mantras, embracing the pagan sigil magick, symbols etc.

Once this Greek alter mind is created, an individual who grew up in the Christian faith, can be programmed to switch to their Greek alter if confronted with their blatant violation of God's commandment to not pay homage to other gods according to Exodus 20:3. I have encountered the following responses:

"I joined because they do a lot of community service."

"It's about making a better person."

"We have a lot of Christians in our fraternity/sorority."

"My pastor is in a Greek fraternity."

"I don't see anything wrong with it. Besides, God knows my heart."

"My grandmother and grandfather were the most loving and strongest Christians I have ever known, and they were Greek."

GREEK LETTER EXPOSED

"If it was wrong, my pastor would have said something to me, along with my parents who are very strong Christians, besides we have a special day to honor certain Greek fraternities and sororities at our church, therefore I know it's OK with God, because I know my pastor hears from God."

"Martin Luther King Jr. and Jesse Jackson were apart of Greek fraternities and Freemasonry."

"I have my own special relationship with God."

"We always begin and end with a Christian prayer in our chapter meetings and events, so we give God His glory."

One can notice that not one of these justifications are Biblically based or in alignment with God's Holy Word. They are based on philosophical reasoning and the validation of mankind. This is because they have been programmed through the hazing, in which a Greek-demonic altar of the mind has been installed to respond and refute God's commandments. Many are just programmed to tune out the Word of God altogether when it comes to their membership in these Greek or masonic secret societies.

Members are double-minded. By participating in the pagan hazing, it gives a spiritual legality for Satan to split their mind and allow a demon to create a demonic-Greek altar within the new compartment of the mind.

This is how a Christian, and even pastors, involved in these Greek fraternities, sororities and masonic secret societies are able to some-

how justify such blatant and sinful tributes and rituals to these demonic Greek pagan gods and goddesses. It is an abomination for a pastor to allow a special day to honor members of these pagan fraternities or sororities to march into the church with pagan symbols representing pagan gods and goddesses. These false deities represent the offspring of Zeus, again also known as Baal (pagan deity noted numerous times in the Holy Bible) and Kronos also known as Moloch, a pagan deity which we read about in the Old Testament, in which pagan nations, and even Israel, in their rebellion, would sacrifice their children into the fire. This is a blasphemous act and a great abomination to the true Lord and Savior Yeshua Hamashia/Jesus Christ.

Many secret society members feel trapped in these cults, due to their embarrassing initiation acts and rituals, which can be sexually deviant and even deadly in nature. These acts are video recorded and will be used as blackmail if a member ever chooses to get out or disobeys cult orders. This is something one should consider before joining a secret society. However, if you are already in one, I believe the truth shall make you free, John 8:32.

Satan knows if he can manipulate Christian leaders and celebrities to join Greek and masonic secret societies or just to endorse them, or not to speak against them (which is just as evil), then this pagan and covert-satanic movement will continue to steadily grow, influencing and poisoning the masses to be influenced by this Kabbalistic, New World Order doctrine, which is helping to pave the way to usher

Manifestations

Below are just a couple of testimonies of the many demon deliverances God has had me minister to over the years, of those who were renounced cult members or who had generational ties to those involved in the secret societies. These testimonies are excerpts from my book *Demon Mentality Exposed, A Journal of a Demon Deliverance Minister*.

Sorority Sister Testimony

A professional, college graduate, African-American woman in her mid 20s approaches me at a healing and deliverance conference, which my pastor, Fernando Perez was hosting, requesting prayer for depression, anxiety and some marital issues. Her husband stood right behind her. I felt lead by the Holy Spirit to ask her if she was in a sorority, she said "yes."

I know from my studying of Greek letter organizations and other secret societies, that they pay homage to false pagan gods through rituals, oaths, dancing, etc.. This gives demons a legality to enter into the individual and create curses down their family's blood line.

As I begin to pray, this professional woman's body begins to convulse, she begins to hiss like a snake with her tongue going in and out, eyelids fluttering, screaming periodically. Then all of a sudden she begins to laugh in a sinister tone almost uncontrollably. I know it's a spirit laughing through her. As I continue to pray for the Holy Spirit fire to burn these demons out of their hiding place and be cast out to the pit of hell, she begins shaking wildly and walking sporadically in circles.

GREEK LETTER EXPOSED

When I called out the demons behind her sorority, one specifically, Minerva, this woman faints to the floor. I was able to catch her and lay her down easy. After about a few seconds on the floor, she rolls over on her belly and begins to slither around like a snake, hissing with her tongue, with her back postured up, resembling a cobra in striking position. As I continue to order the spirits out in Yeshua's name, she then rolls o (Note: Greek letter organizations derived out of the Egyptian and Babylonian culture, so this spirit's roots were being exposed as it was in full manifestation.)

At this point the Holy Spirit through word of knowledge is having me call out other spirits and to break various curses in her blood line on her mother and father's side, such as child molestation, freemasonry, sexual soul-ties, witchcraft, marine spirits, spiritual husband, etc..

After about five minutes of binding and ordering these spirits to the pit of hell in Yeshua's name, she begins to cough violently and then vomits up a milky white substance (which is common in demon deliverances).

She then stretches out and goes immediately into a deep sleep and I put a long towel over her to cover her up. After about 15 minutes, she rises her upper body off the floor looking around and her husband helps her up.

When I ask her about her experience, she has no recollection of how she was manifesting. She conveyed to me that she felt good, much lighter and happy, and that her mind felt clear. We all gave Yeshua, our Lord and Savior, all the glory for this amazing deliverance he did on this young woman.

David Nelson Testimony

David was a honor student and college graduate from a supportive and loving family, though despite all of that, he got caught up into the gang life, being heavily influenced as a young boy by his extended family. David was also still dealing with the tragedy of losing his older sister, who was an innocent victim in an infamous gang shootout at a Sacramento's barbershop in 2010. At the time, David was providing security for an event under the guidance of a local Freemason chapter. It appeared he was being groomed for initiation. I felt strongly compelled to talk to him about what the Holy Spirit had placed on my heart, and to ask him if I could pray for him after the event. The following is a testimony from David's account of that day:

"When he first began to pray, I started having the thought to tell him to just stop and walk away. Now I felt the strong thought and urge to PUSH him down and RUN away, but I continued to receive prayer.

He was just calling different spirits out, spirit of this, spirit that, spirit of Freemasonry, "spirits that came in through his mother's side, spirits that came in through his father's side, spirits that came in through his sister's death, spirit of premature death in his family," every time he said stuff like that, my mind would grab onto that. He called out spirit of premature death, bam! Started getting glimpses of everything that happened that I was aware of-- Uncle James died, Uncle Pat a month later, my mom's brother got killed, my sister got killed. Spirit of murder: BAM, I started thinking about the people in my family that had killed someone. More specifically, the man I'm named after, my great grandfather.

I was adamant at the beginning of the prayer that I was not going to act or dramatize anything I heard. But as he said "come out his eyes," my eyes started fluttering, I tried to justify, then he called out one and my eyes opened up completely and I looked at him. I contemplated why I had opened up my eyes all the way. After I first spoke to him in the beginning, something in me felt like I wanted to talk to him, but something else was saying, stay away from him.

He said in the name of Yeshua Hamashiach (something) and I closed my eyes back. He then told me to repeat after him and as I did, I could not understand why I felt so irritated and reluctant to speak the words. "Father...(sighing and rolling eyes) I...(irritated even more) in the name of Jesus...(wondering why I'm being like that. He kept going and my hands started to let go from one another and separate to my sides. In the beginning, I noticed he was call-ing out things like spirit of lust, spirit of greed. So he was calling out spirit that came from this, spirit of that, spirit that came through gangster rap. Then all of a sudden he said "Thug spirits!"

Unbeknownst to him, I had briefly skimmed a book in my father's room that explained the origin of the word "thug" and it's connection the Thuggee cult. When he called out the spirit, I immediately associated it with the cult I read of. My face filled with irritation and turned to the left, reacting like the class clown being called by his first name by his least favorite teacher. He immediately followed by calling out "spirits that came in from his mother's side to his father's side to the 10th generation, come out!"

I wondered as my body began to posture upright, and tried to justify it in my mind. My chest continued to rise and all of a sudden my head snapped back, and my face rose towards the sky. (I later learned that the spirit of pride many times manifests with an upright posture, just as I had.)

My mouth opened wide and I began to groan, as I felt myself no longer in control of my body. My head turned left as my shoulder rose to my jaw, and my left fist rose to the top of my left rib and began to shake violently. Meanwhile, I felt a serpent rise up the left side of my back. My body began to sway slightly, very slowly, and I tilted onto my left foot until Rayford caught me, tipping me back to balance. I continued to groan more profusely and sway like a snake against the vehicle.

My whole body swayed violently against the car. I took one last sway to the right, to the left, and to the right and my chest and face pointed to the sky as I began to (scream) in a supernatural manner, audible for over a mile, at the least. The screaming came to a halt and I felt my body release. I sat, LOL, hunched over, with my perception of reality, changed forever. I sat, speechless, contemplating if what had happened was real. With no alarm clocks ringing off to wake me out of my bed, I had no choice but to realize that what had happened was real. In the name of Yeshua Hamashia, who I had denied as being the son of God after years as a halfway Muslim, I had been delivered of a plethora of demons that I had no idea were there. He asked for the third time, "how do you feel?" I stared at him for a while before replying, "This is real; this is really real."

To my awe, he then stated, "okay, I have a few more areas I need to pray for." LOL. He started calling out this demon, that demon, demons that came in through tattoos, this demon, that demon, and he eventually called out "demons that came in through the home, come out!" My body immediately reacted, twice as violent as before, and I began to sway violently like a serpent and scream with all of my body as Ray held me from falling over and as I screamed, I simultaneously began to weep in a divine manner, tears flooding out my eyes. As I finished weeping, I exhaled and felt ALL the weight of life, GONE!

He began to repeat "He loves you man, he really loves you. He doesn't always do this for everybody man. He did this because you have a good heart. You've got a good heart. You're humble, and you're transparent. He likes that." Then he began to pray, "Father, fill him with your peace, your love, your joy." And as he prayed, I felt something causing me to sink slowly. At first I naturally thought to resist, but as I allowed it, I just peacefully sank down the car and rested low to the ground. "He wants to use you in your family; he wants to use you to change your family. He wants to use you in counseling." He eventually said, "I sense fornication will be a temptation" and he prayed that I would receive a beautiful wife, a woman of God, that would support me in ministry. He then began to impart that I receive his (deliverance and healing) anointing.

He prayed that I would receive the baptism of the Holy Spirit with the evidence of speaking in tongues. As we finished up talking, he went in his car to grab a book (Thug Mentality Exposed) he recommended to me. When I looked at the book I was shocked. I had no idea, the book he was the author of and held in his hand, was the very same book I had read in my father's room. I began to testify from the moment I left the parking lot. I received the Baptism in the Holy Spirit [with the evidence of speaking in tongues.] Seven weeks later, the Glory of God continues to manifest in my life.

CHAPTER 6: BLACK GREEK LETTER HISTORY

One might think that a group of African American men in the early 1900s striving to rebuild and strengthen their heritage after 400 years of slavery and oppression, who decided to create a fraternity, would do so based on the foundation of a proud, ancient African culture, such as Ethiopia or Egypt, where there had been a long legacy of African kings, queens and pharaohs. However, history tells us, there was a small group of elite African American men during the Negro reconstruction era of the 20th century that decided to forfeit that opportunity and instead created an a fraternity in the image and culture of their oppressor.

This group of African-American men, during an era when their race had recently departed slavery, chose Greece and the Aryan Greek Culture as the foundation to rebuild the African culture. They selected the Aryan Greek gods to pay homage and do pagan rituals to. Yet many Black Greek fraternities and sororities today convey they do these things in the name of “Black pride.”

The choice of Greek culture over African culture was anything but Black pride. For a race that had been oppressed for over 400 years to willingly pattern themselves under their oppressor’s culture sounds insane. The “love of money” however, has been known to motivate many to do insane and evil deeds. The Bible says, “For the love of money is the root of all evil,” 1 Timothy 6:10. Allow me to explain how this root of evil was planted.

The first Black fraternity was Sigma Pi Phi, also known as the Boule’, which means “adviser to the king.” In the Greek system, the Boule’ was the Lower House of Parliament.

GREEK LETTER EXPOSED

New World Order Committee

Assigned the task of organizing the affairs of the city for the King. The fraternity was established on May 15, 1904, in Philadelphia, Pennsylvania by primary founder, Dr. Henry McKee Minton. The Boule' was modeled after Yale University's Skull and Bones Fraternity created in 1832 (Skull and Bones is an Aryan fraternity, also known as the 2nd Chapter of the Illuminati.). The Boule's official historian, Charles Wesley, documents, quoting Minton, "this organization should be a fraternity in the true sense of the word; one whose chief thought should not be to visit the sick and bury the dead but to bind men of like qualities, tastes and attainments into close sacred union (exactly like Masonry and Skull and Bones!), that they might know the best of one another..." In summary, Minton wanted to create an organization which would partake, in his own words, of the "tenets of Skull and Bones at Yale and Phi Beta Kappa..."

The Boule' is responsible for starting the eight Black fraternities and sororities, which started the first chapter in 1906 with Alpha Phi Alpha. The Boule's foundation was based on Black men who felt that their advancement relied upon a positive relationship with influential and wealthy white people. They agreed by masonic oath (of death) to the conspiracy of keeping their fellow African-Americans from knowing who the real people in power were, who were known among the secret societies as the "Round Table." The Boule's were sworn by loyalty to guard, protect and to "advise the king," the king being the New World Order committee aka Illuminati.

Once a member crosses over into Skull and Bones, they become a Knight of the Round Table. What is the Round Table? They are the key players of the New World Order, also known as the Illuminati. The New World Order is the movement of the Illuminati to bring forth a one-world government, currency, and religion, to be led by an individual world leader, biblically known as the Antichrist or the Beast.

GREEK LETTER EXPOSED

New World Order Committee

This was during the early 1900s, the reconstruction era for the African-American, a time where Blacks were just being given the opportunity to obtain a higher education at colleges and universities. At this time, Marcus Garvey had taken a noticeable leadership role, and his plan was to take as many Blacks from America as possible, back to Africa and start a settlement in the nation of Liberia. This would allow them to produce and control their own rubber crops and other industries in natural resources so they could self-sustain by doing business with other nations.

Garvey said, "If the oil of Africa is good for Rockefeller's interest; if iron is good for Carnegie trust; then these minerals are good for us. Why should we allow Wall Street and the capitalist group of America and other countries exploit our country when they refuse to give us a fair chance in the countries of our adoption? Why should not Africa give to the world its Black Rockefeller, Rothschild, and Henry Ford?"

In 1919, Garvey bought a building in Harlem and named it Liberty Hall. He held meetings about his vision in the evenings, to audiences of up to 6,000 people. In 1918, he started a newspaper publication titled, *Negro World*, which by 1920 had between 50,000 and 200,000 subscribers. Membership in Garvey's UNIA (Universal Negro Improvement Association) was rapidly growing during this era. Garvey claimed to have six million members, though this has never been confirmed. Regardless, many historians would agree that his message directly inspired and motivated millions.

However, the NWO Globalists would conduct counter attacks on Garvey's movement. They would assign and put on the payroll intellectual Blacks such as W. E. B. Du Bois, the first African-American Harvard graduate, and Alain Locke, the first Black Cecil Rhodes Scholar, to discredit Garvey and his movement. The Boule' was very

GREEK LETTER EXPOSED

New World Order Committee

instrumental in “stealing” educated Blacks from Garvey’s UNIA movement.

W. E. B. Du Bois called Garvey the most dangerous enemy of the Negro race, either “a lunatic or a traitor.” He said Garvey “suffered from serious defects of temperament and training” and described him as “a little, fat, black man, ugly...with a big head.” Garvey referred to Du Bois as the Negro “misleader” and said Du Bois was “a little Dutch, a little French, a little Negro... a mulatto.” Why in fact, Garvey wrote, “he is a monstrosity.”

Du Bois stated himself that the Boule’ was created to “keep the black professional away from the ranks of Marcus Garvey.” Nevertheless, Garvey’s “Back to Africa” Movement gained momentum quickly.

Garvey was surprised when he visited the publication office of the Crisis, of the absence of Black staff. The Crisis was largely White-operated. As director of publications and research, Du Bois was the only African-American among its early officers. Garvey publicly exposed and admonished Du Bois about this.

Alain Locke publicly insulted Garvey by calling him a “gorilla” at every opportunity. Locke was quoted as saying: “We hope the White man delivers ‘cause we crushed a great Black thing, but we know he'll deliver or our people will attack and plague us forever more.”

During this distraction movement led by Du Bois and Locke, Garvey’s movement gradually dissipated away. The Boule’ organized the setting up of the eight Black Greek fraternities and sororities, as well as the NAACP and Urban League as a distraction to keep Blacks from thinking about Liberia.

GREEK LETTER EXPOSED

New World Order Committee

The Rockefellers were one of the most instrumental and public NWO globalists to step in to publicly back Du Bois and Locke. The Rockefellers (Rockefellers are subservient to the Rothschilds of Europe, considered to be the first family of the Illuminati or king of kings of the Illuminati.) along with their NWO Globalist friends funded the NAACP and Urban League, along with many of the HBCUs (Historically Black Colleges & Universities).

Special Note: The Illuminati used the Boule' when they started to construct these universities. New World Order globalists Rockefeller and Julius Rosenwald came together to financially back these HBCU university projects.

Labeled the Push Foundation, Rosenwald joined the Rockefeller Foundation in 1922. Together they found Phipps, Atlanta, Dillard, Spelman, Howard and Clark universities just to name a few. This is why you will most likely see a Rosenwald Hall on each and every HBCU across the country.

Why? To lure the African-American public away from Garvey's movement by providing instant gratification, which worked by distracting the masses of Blacks to root themselves into the new opportunities the NWO globalists were putting before them. Meanwhile, during this time, NWO globalists went themselves to take over Liberia and all it's rich minerals, crops and jewels contained within the country, promising the Boule' a stipend for their conspiratorial assistance.

While taking over Liberia's resources, the NWO globalists were very instrumental in building a masonic government in Liberia. It is no coincidence that most American-Liberian men were freemasons and members of the Masonic Order of Liberia. As of today, they continue

GREEK LETTER EXPOSED

to strategically legislate politics to assist in the construction of the NWO global agenda.

Rockefellers also gave grants to Mary Sanger to start Planned Parenthood, which started the greatest genocide within the black community, which Du Bois was a vocal supporter. Du Bois served on the board of Sanger's Harlem clinic. Sanger believed that lighter-skinned races were superior to darker-skinned races and there is documentation of her speaking at KKK rallies.

In 1929, James H. Hubert, a Black social worker and leader of New York's Urban League, requested for Sanger to start-up a clinic in Harlem. Sanger obtained funding from Rosenwald and opened the clinic in 1931, which was staffed with African-American doctors. The clinic was operated by an advisory board of 15 African-American doctors, nurses, journalists, social workers, and clergy. The clinic was promoted in the black press and churches and obtained the approval of Du Bois, co-founder of the NAACP.

From 1939 to 1942 Sanger was an honorary delegate of the Birth Control Federation of America, which gave her a directing role with Clarence Gamble in the Negro Project, an organization which delivered birth control to low-income African Americans. Sanger insisted that the Negro Project would include Black pastors in leadership roles. Sanger wrote to Gamble in 1939, "We do not want word to go out that we want to exterminate the Negro population and the minister is the man who can straighten out that idea if it ever occurs to any of their more rebellious members."

This quote has been cited by author and activist Angela Davis to support her claims that Sanger wanted to exterminate Black people.

There is documentation of the Boule' being recruited as spies to spy on the African-American population. Secretary of War Newton D. Baker (Council of Foreign Relations) on May 3, 1911, ordered Lt. Ralph Von Deman to set up a Black Intelligence unit to monitor "Negro unrest." The Memphis Commercial Appeal published a story about the government's hiring of Boule' spies, titled "Army Spy Network" on March 21, 1993.

The Boule' also assigned members who were doctors to be a part of the Tuskegee Experiment, a clinical study conducted between 1932 and 1972 in Macon County, Alabama, by the U.S. Public Health Service. The Tuskegee Experiment became infamous for ethical issues, as it declined to inform Black participants of their syphilis diagnosis and did not treat them, even after penicillin was proven in the 1940s to be an effective treatment against the sexually transmitted disease. The study observed the natural progression of untreated syphilis in low-income, rural Black men who believed they were receiving free health care from the U.S. government.

The chief doctor assigned to the Tuskegee Experiment was Dr. Eugene Dibble. He was head of the Institute's John Andrews Hospital. Dibble, an African-American medical doctor and member of the Alpha Omega Alpha fraternity, and Dr. Robert Russa Moton, another African-American who was president of Tuskegee Institute at the time and who was also a member of the Gamma Sigma graduate chapter of the Phi Beta Sigma fraternity, both lent their endorsement and institutional resources to the government study. Both were in fraternities under the regime of the Boule'.

One of the main reasons why there has been little reporting regarding this conspiracy is the fact that many of the major Black press publications were owned by Boule' members, such as Jet/Ebony: John

“We are grateful to *The Washington Post*, *The New York Times*, *Time* magazine and other great publications whose directors have attended our meetings and respected their promises of discretion for almost forty years. It would have been impossible for us to develop our plan for the world if we had been subject to the bright lights of publicity during those years. But, the work is now much more sophisticated and prepared to march towards a World Government. The supranational sovereignty of an intellectual elite and world bankers is surely preferable to the national auto-determination practiced in past centuries.”

What is the benefit of being a Boule'? It is common knowledge that the Round Table operates in every major city in some form or fashion. Its members are high up in government, law enforcement, religious organizations, non-profits, and are owners or on the board of major corporations. These society elites are also interlinked with the Freemasons, Elks, Rosicrucians, Shriners, among the other GLOs, etc. Being a Boule', a protector of the secret information of the Round Table can produce the following lucrative benefits for their members:

In David Rockefeller's book, *Memoirs*, he admits his conspiracy to build a one world government. Here is the quote, from page 405: "Some even believe we (Rockefeller family) are part of a secret cabal working against the best interests of the United States, characterizing my family and me as 'internationalists' and of conspiring with others around the world to build a more integrated global political and economic structure - One World if you will. If that's the charge, I stand guilty, and I am proud of it."

"If a nation values anything more than freedom, then it will lose its freedom; and the irony of it is that if it is comfort and security that it values, it will lose that too. Unknown Americans must decide: Are we to be governed by Americans or by an International organization? I, for one, owe no allegiance to the United Nations nor will I give it any. I obey only the U.S. Constitution. You had better think about this issue, for if the U.N. can violate the Sovereignty of Haiti, Iraq and other countries, it can violate ours...The United States may not be the top dog 15 years from now. U.N. Security Council resolutions, backed by say, Chinese soldiers, could be aimed at us."

Today, the Boule' is still recruiting the most intelligent and talented African-Americans into its secret society. Currently, there are 5,000 plus Archons (male Boule' members) and their wives, (Archousais), with 112 chapters, which make up the wealthiest group of Black men and women in the world.

Members have a clear understanding, that as long as they conform to the rules, the wealth will continue to pour in; if not, their meal card will be pulled immediately. Blackmail is utilized to keep all members in check, just as it's done in Skull and Bones.

The Boule', which is a Masonic secret society, operates in a pyramid style, meaning the lower ranks are kept from knowing what the upper ranks are doing.

If you are a part of the Boule', a Greek letter organization or a related secret society there is a prayer in the last chapter of this book, which will lead you to repentance and renouncing all allegiance and oaths to these pagan cults. Jesus loves you and wants you free from any bondage and curses which are brought on through the oaths and rituals of these pagan cults, so you may fulfill your destiny in Christ.

CHAPTER 7: SALVATION & DELIVERANCE PRAYER

The Holy Bible says, “The god of this world has blinded the eyes of the unbelievers, from seeing the light of Christ. 2 Corinthians 4:4.

I believe the Holy Spirit inspired me to write this message to expose the enemy, so those blinded GLO & secret society members would be able to see the light of Christ. I believe this a mandate that God has given all believers. Ephesians 5:11 says, “Have nothing to do with the fruitless deeds of darkness, but rather exposed them. The good news of the Gospel is that Christ came to set us all free from the bondage of sin and the curses tied to them. All we must do is believe and accept Him as Lord and Savior.

For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

John 3:16

God is a loving and forgiving God who delights in His creation. In His Word, He says, “For I know the thoughts that I think toward you, saith the Lord, thoughts of peace, and not of evil, to give you an expected end.”

Jeremiah 29:11

Satan has just the opposite plan for humanity. Scripture tells us, “Satan comes to steal, kill and destroy.” John 10:10

If you have made an oath to a GLO or secret society, you are under a curse. You can also be under a curse if one of your ancestors before you made such an oath.

Again, the good news is that Christ has redeemed us from the curse.

Galatians 3:13 tells us, "Christ hath redeemed us from the curse of the law, being made a curse for us: for it is written, Cursed is every one that hangeth on a tree." However, the individual must repent and renounce the curse, made by their own mouth or by the mouth of an ancestor before them.

What does it mean to truly repent and renounce? My fellow deliverance minister Ron Barnes explains it the best way I have heard it, in his seminar training manual titled, *Warrior's Training*:

Repent: A change of heart (how you feel), mind (how you think) and direction (how you act); to be restored to your former high position in God.

Renounce: To take back a right or privilege previously given through an act, a vow or an open door, to change allegiances or alliances; to reject an agreement.

This section will assist you in the process.

Where do we find deliverance in the Holy Bible? Jesus said: "I have given you authority to trample on snakes and scorpions and to overcome all the power of the enemy; nothing will harm you." Luke 10:19

I want to present to you five things that will stop an individual's deliverance, which are:

Unforgiveness

Refusing to Repent (unwillingness to ask for forgiveness and turn from your sin.)

Now think of the goodness of Yeshua and repeat the following prayer out loud.

Father, I decree your son Yeshua Hamashia as Lord and Savior over every area of my life. I believe Father, that your son Yeshua Hamashia was placed on the cross for my sins and the world's sins, and that He was buried and raised by You, on the Third Day.

now!!!

Angel of the Lord, put a fiery chain around those evil spirits, the head demon or principality who received the assignment from Satan to afflict, torment, oppress and possess me, and a chain of fire around every evil spirit under the authority of these demons.

I command these spirits to pack their belongings right now and prepare to leave my body and soul. My soul being my emotions, will and conscious and subconscious mind. Leave my home and family in Yeshua Hamashia's name. Now!!! I say, Out!!! In the name of Yeshua!!! Angel of the Lord, drag these spirits, and every spirit under their authority, into the outer darkness into the Abyss. Evil spirits, I command you never to return again.

Yeshua, I ask you now to close every portal of my soul that has been open to the demonic world through the sorcery I've done through drugs, alcohol, sexual promiscuity, worship of demons and false gods, generational curses, occult magic, gangs, pagan secret societies, witchcraft, etc., and the spirits which have haunted my mind, with tormenting thoughts, voices, hallucinations, nightmares, demonic paranormal experiences, sickness, disease, etc.

I thank you for the blood of your son Yeshua. I decree right now that it protects and covers me from the enemy. I thank you Yeshua for the stripes that you allowed to be torn violently in your back, for Your Word states in 1 Peter 2:24, "By His stripes, we are healed." So I decree that by Yeshua's stripes, I'm healed, from the top of my head to the soles of my feet.

Father Your Word says in Romans 10:13, "Whosoever that call on the

name of the Lord, shall be Saved.” and John 8:36 states, “Who the Son has set free, is free in deed.” So I call on you Yeshua Hamashia as my Lord and Savior, and I decree by Your Word that I’m set free in deed!!!

Father, I ask that you fill me now with your Holy Spirit, Acts 1:8 states that I will receive power when I receive the Holy Spirit and that He will lead me into all Truth according to John 16:3. I receive this Holy impartation by faith and the gifts that accompany it, such as the gift of speaking in new tongues, among others which are referenced in scripture according to 1 Corinthians Chapter 12.

Lord, I ask you to give me the discernment of every skillset, talent and spiritual gift you have placed within me, so I can utilize them to win souls and bring you glory. I decree by faith that your Holy Spirit is leading me now toward your perfect will, plan and purpose for my divine destiny in Christ’s Kingdom.

I decree that I have the mind of Christ according to 1 Corinthians 2:16 and the divine armor of God according to Ephesians 6, which is the helmet of salvation, breastplate of righteousness, belt of truth, and sword of the spirit (which is the Word of God), and that my feet are prepared with the Gospel of Christ. I decree that I and my family are blessed in Yeshua Hamashia’s name.

So Be it!!!!

Praise God!!!

In today's fashionable Thug Culture, evil has become cool and sexy. Biblical family values have become old fashioned, judgmental and uncool. Thug Culture has obtained prominent influence through popular mainstream music, video games, television, and film. Greedy and immoral corporations are cashing in on promoting a culture which is destroying young lives physically, mentally and spiritually.

These same corporations promoting the thug mentality in the entertainment industry are investing in the private prison industry and pharmaceutical companies. The Thug Culture, made up of millions of impressionable youth have become their best customers, not in just the purchase of their products, but through the corrupting of their minds by glorifying crime, gangs, prison, drugs, and alcohol, it has manufactured more and more thugs to fill their privatized prisons in which over 40 percent of the inmates are now on psychotropic medication; for hearing voices, schizophrenia, depression, among other mental illnesses created by the harmful drugs glorified and promoted in their music.

Explore this journey through the eyes of a correctional counselor and journalist, and through the many stories of the incarcerated inmates and gang members themselves.
